INDEPENDENT AUDITOR'S REPORT

Timothy Keller, New Mexico State Auditor and the Board of Directors of North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc. Aztec, New Mexico

We were engaged to audit the accompanying financial statements of the business-type activities of North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc., (the "Cooperative") as of and for the year ended December 31, 2010, which collectively comprise the Cooperative's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Cooperative's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. Because of the matters described in the following paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

As a result of numerous material weaknesses in the internal control structure of the Cooperative and the loss of supporting records, the Cooperative's accounting records are inadequate to substantiate the account balances for cash, accounts receivable, revenues, and expenses presented in the financial statements. There is insufficient evidence available to determine that the ending account balances and account distributions for revenue and expense amounts are accurate and management assertions cannot be adequately examined to afford a basis for an opinion.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 11, 2017 on our consideration of the Cooperative's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc. has not presented a Management's Discussion and Analysis required by GASB statement No. 34 that the Governmental Standards Board has determined is necessary to supplement, although not required to be part of, the basic financial statements.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010

NOTE 1 Summary of Significant Accounting Policies

A. Financial Reporting Entity

The North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc. (Cooperative) is a not-for-profit Mutual Domestic Association established for the purpose of construction, maintaining, and operating a water and wastewater system for members of the Cooperative in rural San Juan County. The Cooperative was incorporated as a Cooperative under the provisions of the New Mexico Cooperative Corporation Act. In October of 2007, the Board of Directors believed that it changed its form of organization from a not-for-profit cooperative to a not-for-profit company under the Sanitary Projects Act, NMSA 3-29-1 through 3-29-20. As such, the Cooperative changed its operating name from North Star DWC & MSWC Cooperative, Inc. to North Star Mutual Domestic Water Consumers Association, and has been operating under that name since 2007. The Cooperative has no component units.

Under the Sanitary Projects Act, the Association remains a not-for-profit organization owned and governed by its members. It is also eligible to receive certain loans and grants from the State of New Mexico.

The New Mexico State Auditor has determined, based upon the AG opinions, that mutual domestic water associations are governmental nonprofit organizations. As a result of this conclusion, as of fiscal year 2006, the Cooperative has changed their reporting format from the nonprofit format to the governmental format required by Governmental Accounting Standards Board (GASB) Statement 34. There was no effect on net assets as a result of implementing this format.

B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The proprietary fund financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. The Cooperative uses a proprietary fund to record all of its transactions.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in the proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The government has elected not to follow subsequent private-sector guidance.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010

NOTE 1 Summary of Significant Accounting Policies (Continued)

B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the Cooperative's enterprise fund is charges to customers for sales and services. Operating expenses for the enterprise fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

C. Assets, Liabilities, and Net Position or Equity

Cash and Temporary Investments: The Cooperative's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

State statutes authorize the investment of the Cooperative's funds in a wide variety of instruments including certificates of deposit and other similar obligations, state investment pool, and money market accounts. The Cooperative is also allowed to invest in United States Government obligations. All funds for the Cooperative must follow the above investment policies.

Deposits of funds may be made in interest or non-interest bearing checking accounts in one or more banks or savings and loan associations within the geographical boundaries of the Cooperative. Deposits may be made to the extent that they are insured by an agency of the United States or by collateral deposited as security or by bond given by the financial institution.

The rate of interest in non-demand interest-bearing accounts shall be set by the State Board of Finance, but in no case shall the rate of interest be less than one hundred percent of the asked price on United States Treasury bills of the same maturity on the day of deposit. Excess funds may be temporarily invested in securities which are issued by the State or by the United States government, or by their departments or agencies, and which are either direct obligations of the State or the United States or are backed by the full faith and credit of those governments.

Investments for the Cooperative are reported at fair value.

Accounts Receivable: The receivables in the statement of net assets are considered fully collectable, and therefore, no allowance for doubtful accounts has been recorded. Receivables are recognized when services have been rendered and revenue has been earned.

Accounts receivable consist of the following at December 31, 2010:

Water billing receivable	\$ 94,469
Membership Receivable	44,970
Total	\$139,439

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010

NOTE 1 Summary of Significant Accounting Policies (Continued)

C. Assets, Liabilities, and Net Position or Equity (Continued)

Capital Assets: The Cooperative's policy is to capitalize all disbursements for equipment in excess of \$5,000. Property and equipment are recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated services lives using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expenses as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statements of activities. The Association assets have the following estimated useful lives:

Buildings and systems	40
Furniture and fixtures	5-15
Improvements other than buildings	15-30
Machinery and equipment	5-20

Water rights of \$738,981 are not depreciated or amortized because water rights reflect renewable resources that do not deplete through use or deterioration. The Cooperative evaluates the water rights each reporting period to determine whether events or circumstances continue to support an indefinite useful life.

Accumulated Compensated Absences: The Cooperative permits certain employees to accumulate a limited amount of earned vacation leave. The cost of earned but unpaid vacation leave is normally recognized in proprietary funds when the benefit vests to the employee and becomes a legal liability to the Cooperative. At year end December 31, 2008 the amount of accumulated leave was \$19,668. However, the Cooperative did not have sufficient records for us to determine the amount of leave which was earned or used in 2010 or 2009. As such we are unable to determine if the amount of liability the Cooperative had changed at year end December 31, 2010 and the \$19,668 amount was still carried in the Cooperative's records.

								Due v	within one	
Be	ginning	Increases Decreases		Increases		reases	E	Ending		year
\$	19,668	\$	-	\$	-	\$	19,668	\$	19,668	

Accrued Liabilities: Accrued liabilities consist of the following at December 31, 2009:

Accrued salaries and wages	\$ 5,376
Federal and state withholding payable	468
Federal unemployment taxes	460
Other	 17
Total	\$ 6,321

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010

NOTE 1 Summary of Significant Accounting Policies (Continued)

C. Assets, Liabilities, and Net Position or Equity (Continued)

Use of Estimates: The preparation of financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes: North Star Water Consumers & Mutual Sewage Works Cooperative, Inc., is exempt from Federal income taxes under the provisions of section 50l(a) of the Internal Revenue Code as an entity described in section 50l(c)(3). Therefore, no provision for income taxes has been made.

NOTE 2 Stewardship, Compliance, And Accountability

Citizens

Budget: As a non-profit organization, the Cooperative does not legally adopt a budget, and budgetary compliance is not one of the statutes which the New Mexico Attorney General has determined Mutual Domestic Associations are subject to under opinions 68-38, 90-30, and 06-02. Therefore, no comparison is made between the budget and actual expenditures.

NOTE 3 Detailed Notes on All Funds

A. Cash and Temporary investments

At December 31, 2010, the carrying amount of the Cooperative's deposits was \$412,589 and the bank balance was unknown as no bank statements were found. Of this balance \$367,177 was covered by federal depository insurance. NM State Statutes require collateral pledged for deposits in excess of the federal deposit insurance to be delivered, or a joint safekeeping receipt be issued, to the Cooperative for at least one half of the amount on deposit with the institution. The schedule listed below will meet the State of New Mexico Office of the State Auditor's requirements in reporting the insured and uninsured portion of deposits.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2010

NOTE 3 Detailed Notes on All Funds (Continued)

A. Cash and Temporary Investments (Continued)

The types of collateral allowed are limited to direct obligations of the United States Government and all bonds issued by any agency, district or political subdivision of the State of New Mexico. According to the Federal Deposit Insurance Authority, public unit deposits are funds owned by the Cooperative. Time deposits, savings deposits and interest bearing now accounts of a public unit in an institution in the same state will be insured up to \$250,000 in aggregate and separate from the \$250,000 coverage for public unit demand deposits at the same institution.

Custodial Credit Risk-Deposits: Custodial Credit risk is the risk that in the event of bank failure, the Cooperative deposits may not be returned. The Cooperative does not have a deposit policy for custodial credit risk. As of December 31, 2010, none of the Cooperative's bank balance appears to have been exposed to custodial credit risk. As no bank statements for the year were available, if bank balances were the same as book balances, the coverage was as follows:

Uninsured and uncollateralized	\$ -
Uninsured and collateralized by FDIC	367,177
Uninsured and collateralized in State Treasurers Accounts	45,412
Total	\$ 412,589

B. Capital Assets

The New Mexico Finance Authority loans require the Cooperative to maintain reserve accounts, which consist of \$70,664 for the year ended December 31, 2010, in restricted cash on the Cooperative's statement of financial position.

NOTE 4 Workman's Compensation

Every employee of the Cooperative is covered by workman's compensation insurance as provided by state law. The Cooperative pays the entire insurance cost. Any employee who is injured or becomes ill from a cause arising in the course of his/her employment is eligible for benefits under workman's compensation in accordance with state workman's compensation law. Such illness or injury must be reported to the supervisor or general manager immediately.

NOTE 5 Grants

The Cooperative received state grant funding in the amount of \$186,231 in the current year for a project to tie in the Cooperative's system with Flora Vista water system to provide redundancy to the two service areas. This is an initial draw on a \$2,000,000 grant from the state for this project.

NOTE 6 Subsequent Events

In January 2016, the Cooperative found out that its tax exempt status had been revoked effective May 15, 2012 for failure to file Form 990 information returns beginning with the 2009 tax year. However, the Cooperative fought the revocation, completed the filing of all late returns, and its non-profit status was reinstated retroactively on March 16, 2017.

NORTH STAR DOMESTIC WATER CONSUMERS
& MUTUAL SEWAGE WORKS COOPERATIVE, INC.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 6 Subsequent Events (continued)

In October 2007 and again in September 2013, the Cooperative believed that it had changed its company status and name, changing its incorporation from a not-for-profit cooperative under the New Mexico Cooperative Corporation Act to a not-for-profit company under the Sanitary Projects Act, NMSA3-29-1 through 3-29-20 and changing its name from North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc. to North Star Mutual Domestic Water Consumers Association, Inc. Since 2007, the Cooperative has operated under the name North Star Mutual Domestic Water Consumers Association, Inc. In November 2016, paperwork was again filed with the New Mexico Secretary of State to affect this change. The change in status has not yet been confirmed by the Secretary of State.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Timothy Keller
New Mexico State Auditor
and the Board of Education of
North Star Domestic Water Consumers
& Mutual Sewage Works Cooperative, Inc.
Aztec, New Mexico

We were engaged to audit the financial statements of the business-type activities of the North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc. (the "Cooperative") as of and for the year ended December 31, 2010, and have issued our report thereon dated May 11, 2017. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Cooperative's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Cooperative's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Cooperative's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the Cooperative's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Cooperative's financial statements that is more than inconsequential will not be prevented or detected by the Cooperative's internal control. We consider the deficiencies described in the accompanying schedule of findings and responses to be significant deficiencies in internal control over financial reporting. (2008-1, 2009-2, 2009-3, 2009-4, 2009-5, 2009-7, and 2010-1)

A material weakness is a significant deficiency, or a combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Cooperative's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be considered to be material weaknesses. However, of the significant deficiencies described above, we consider items 2008-1 and 2009-7 to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Cooperative's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and responses as item 2009-1.

The Cooperative's responses to the findings identified in our audit are described in the accompanying schedule of findings and responses. We did not audit the Cooperative's responses and, accordingly, we express no opinion on the responses.

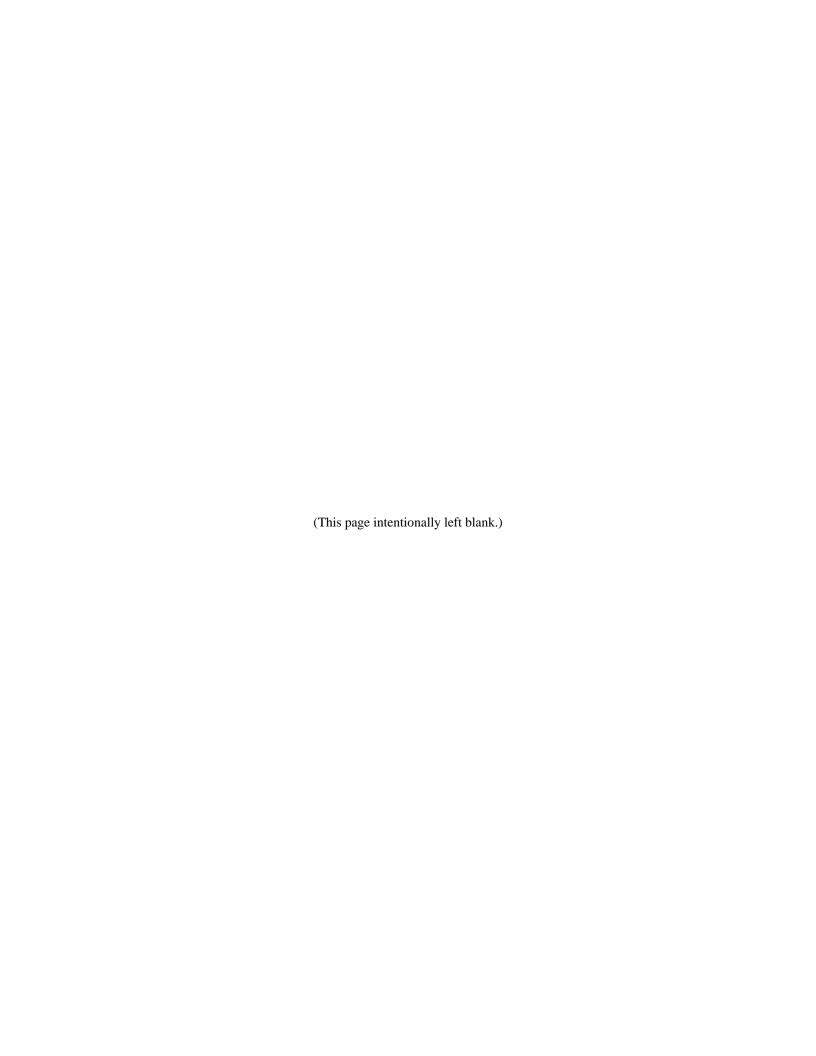

The report is intended solely for the information and use of the Cooperative's Board of Directors, the Cooperative's Management, others within the entity, New Mexico Department of Finance and Administration, the New Mexico Legislature, federal and state grantors, and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2008-1 – Improper Recording and Maintenance of Fixed Assets (Material Weakness)

Criteria: 2.20.1.8 NMAC 1978 FIXED ASSET ACCOUNTING SYSTEM:

- A. Agencies should implement systematic and well-documented methods for accounting for their fixed assets. A computerized system is recommended, with appropriate controls on access and authorization of transactions.
- B. The information to be recorded and maintained on its fixed assets, must include at a minimum the following:
 - 1. agency name or commonly used initials used to identify the agency;
 - 2. fixed asset number or fixed asset number plus component number;
 - 3. a description using words meaningful for identification;
 - 4. location, specifically a building and room number. If the asset is movable, the name and location of the fixed asset coordinator should be used:
 - 5. manufacturer name (NOT the vendor's name, unless vendor is the manufacturer);
 - 6. model number or model name;
 - 7. serial number, or vehicle identification number (VIN) for vehicles in agency's use & possession. If the fixed asset has no serial number, e.g., a custom-built asset, absence should be acknowledged by coding this as "none";
 - 8. estimated useful life or units expected to be produced;
 - 9. date acquired (month and year)
 - 10. cost (according to the valuation methods described in section 10 [now 2.20.1.10 NMAC];
 - 11. fund and organization that purchased the asset, or to which it was transferred.
- C. The system must be capable of generating lists of fixed assets in sequences useful for managing them. It must track all transactions including acquisitions, depreciation (if needed), betterments and dispositions. It must generate all necessary accounting entries to the agency's general ledger.

2.20.1.16 NMAC 1978 ANNUAL INVENTORY:

- A. At the end of the fiscal year, each agency shall conduct a physical inventory of its fixed assets consisting of those with a historical cost of one thousand dollars (\$1,000) or more, under the control of the governing authority.
- B. This inventory shall include all property procured through the capital projects fund which are assigned to the agency designated by the director of the property control division as the user agency.
- C. All passenger vehicles must be included in the inventory process. This includes all vehicles leased from the transportation services division of the general services department as required by the "Auditor's Rule" 2 NMAC 2.2.11.1.L [now Paragraph (8) or Subsection A of 2.2.2.12 NMAC].
- D. The inventory process shall produce a list of the property and the date and cost of acquisition. The annual physical inventory checks against losses not previously revealed and brings to light errors in records of accountability, but more importantly, a systematic physical inventory of fixed assets provides an opportunity for surveying their physical condition, with respect to their need for repairs, maintenance or replacement.
- E. The results of the physical inventory shall be recorded in a written inventory report, certified as to correctness and signed by the governing authority of the agency. In the process of conducting their fieldwork, the state auditor or independent public accountant under a contract approved by the state auditor may test the correctness of the inventory by generally accepted auditing procedures (Laws 1999, Chapter 230).

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2008-1 - Improper Recording and Maintenance of Fixed Assets (Material Weakness) (continued)

2.20.1.18 NMAC 1978 DISPOSITION OF FIXED ASSETS:

- A. Sections 13-6-1 through 13-6-2 NMSA 1978, and the procurement code govern the disposition of fixed assets.
- B. For property whose fair market value is under \$5,000 and obsolete, or unusable, disposition may be made by:
 - 1. negotiated sale to any governmental unit of an Indian nation, tribe or pueblo in New Mexico, or by negotiated sale or donation to other state agencies, local public bodies, school districts, state educational institutions or municipalities,
 - 2. sale at public auction,
 - 3. destruction,
 - 4. disposal of hazardous materials in compliance with environmental regulations, and
 - 5. sale through solicitation of written bids through the state purchasing division.
- C. For property whose fair market value is over \$5,000, disposition may be made only through written approval by the state budget division.
- D. All dispositions must be recorded in the fixed asset inventory records. Appropriate entries must also be made in the financial accounts to reflect the disposition of the property. Gains or losses on disposal must be recorded in funds where such accounting is required.
- E. Dispositions of property whose method is found to be theft or embezzlement should be recorded in the inventory and financial accounts. Associated documentation such as police and insurance reports should be kept as part of the audit trail of the disposition.

Additionally 12-6-10 NMSA 1978 Annual inventory.

A. The governing authority of each agency shall, at the end of each fiscal year, conduct a physical inventory of movable chattels and equipment costing more than five thousand dollars (\$5,000) and under the control of the governing authority. This inventory shall include all movable chattels and equipment procured through the capital program fund under Section 15-3B-16 NMSA 1978, which are assigned to the agency designated by the director of the property control division of the general services department as the user agency. The inventory shall list the chattels and equipment and the date and cost of acquisition. No agency shall be required to list any item costing five thousand dollars (\$5,000) or less. Upon completion, the inventory shall be certified by the governing authority as to correctness. Each agency shall maintain one copy in its files. At the time of the annual audit, the state auditor shall satisfy himself as to the correctness of the inventory by generally accepted auditing procedures.

Condition: During review of the Cooperative's capital assets, it was determined that some items had not been previously recorded nor properly depreciated in prior years, that management is unsure if the entire system has been capitalized, and that an annual inventory of assets is not completed. Due to this we are unsure that all system assets have been capitalized and depreciated properly.

Cause: The Cooperative has not kept proper records on its capital asset and inventory detail. Recording of assets, especially items which may be paid directly through a grant trustee are not consistently captured and capitalized. A year-end review to verify assets is not completed.

Effect: Fixed assets are materially misstated in previous financial statements and not all assets have been properly recorded and tracked in the fixed asset inventory system.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2008-1 - Improper Recording and Maintenance of Fixed Assets (Material Weakness) (continued)

Auditors' Recommendation: We recommend that the Cooperative ensure compliance with the above statutes by implementing internal control processes that will safeguard and record all fixed asset inventory, including those paid directly through a grant trustee. Additionally, we stress the importance of conducting annual physical inventories of fixed assets to ensure proper asset values are presented to the Board as they bear responsibility for all assets of the Cooperative.

Responsible Official's View:

• Specific corrective action plan for finding:

North Star has applied for and received a New Mexico Finance Authority Grant to complete an Asset Management Plan ("AMP"). North Star has entered into an agreement with Bohannan Huston, Inc. to construct a Project consisting of development of an Asset Management Plan (AMP) for North Star's water infrastructure based on the New Mexico Infrastructure Finance Center, A.M Can Work Guide. The Asset Management Plan is being developed in conjunction with Shane Chance CPA and the installation of a new accounting program Account Edge. The account numbering and nomenclature is being developed to match the asset inventory for direct asset management between assets and asset accounting for depreciation, inventory and reporting accountability as part of the Asset Management Plan.

• Timeline for completion of corrective action plan:

The corrective action plan is a plan in progress and has been since August 1, 2016. The completion timeline for the corrective action plan is July 21, 2017. That is the closing deadline for the New Mexico Finance Authority Asset Management Plan Grant. This is with the understanding that Asset Management is an ongoing process in order meet accounting requirements.

• Employee position(s) responsible for meeting the timeline:

The General Manager and the Administrative Assistant.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2009-1 - Late Submission of IPA Recommendation Form and Audit Contract (Other Matter)

Criteria: 2.2.2.8(B)(6)(c) NMAC requires local public bodies that must obtain an audit to submit the required recommendation for the audit contract to the state auditor by December 1st.

Condition: The Cooperative did not complete the auditor selection process in a timely manner.

Cause: The Management and Board of the Cooperative, because of their cash situation, not to procure and audit in 2010. As such, they did not meet the December 1, 2010 deadline.

Effect: The submission of the form and the contract to the State Auditor was not completed timely.

Auditor's Recommendation: We recommend that the Cooperative complete the IPA recommendation form and audit contract by the statutory deadline.

Responsible Official's View:

• Specific corrective action plan for finding:

It is North Star intent to complete the IPA recommendation form and audit contract by the statutory deadline and attempt to include the audit cost in the annual yearly budget process.

• Timeline for completion of corrective action plan:

The timeline for completion is before the statutory deadline each year.

• Employee position(s) responsible for meeting the timeline:

General Manger and Administrative Assistant.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2009-2 - Bank Reconciliation Procedures (Significant Deficiency)

Criteria: In accordance with proper accounting procedures and 2.20.5.8 NMAC, we were not able to verify, other than with the Citizens Bank account, that the Cooperative was completing their reconciliations in a timely manner. A timely reconciliation of bank accounts is normally considered to be completed within 30 days of month end. Also, bank reconciliations should be reviewed and signed and dated by someone other than the individual completing the bank reconciliations.

Condition: The Cooperative was unable to provide any bank statements for the 2010 audit.

Cause: The Cooperative has not kept sufficient records for review by the auditors. These records may have been lost in a fire which destroyed some records and caused other records to be mixed into other years.

Effect: The Cooperative is unable to document that reconciliations were done timely and are reviewed by a supervisor not responsible for bank transactions or a member of the Board.

Auditor's Recommendation: We recommend that all cash reconciliations be signed and dated by the individual performing the reconciliations and that they also be signed and dated by a member of the board to verify secondary review of the bank reconciliations. We recommend that these reconciliations and review of reconciliations occur within 30 days of month-end.

Responsible Official's View:

Specific corrective action plan for finding:

A policy will be established to print out the Bank Statement at the close of the month, do the reconciliation and corrections if required, the General Manager will review and sign the statement, and the statement will then be review by the Board of Directors, Secretary/Treasurer and signed. The Cooperative has retained Shane Chance CPA to review the financials and assist the Cooperative with the accounting and bookkeeping. This will become a written Policy established and approved by the Board of Directors, and incorporated into the Rules and Regulations of the Cooperative.

• Timeline for completion of corrective action plan:

The timeline for completion of the corrective action is June 30, 2017.

• Employee position(s) responsible for meeting the timeline:

The General Manager.
The Administrative Assistant.

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2009-3 – Lack of Supporting Documentation for Deposits (Significant Deficiency)

Criteria: Good internal control procedures require that all deposits should be accompanied by supporting documentation identifying the total of the deposit, what revenue category generated the funds, and detail of the amounts in the event that multiple items are included within the deposit.

Condition: The Cooperative did not retain copies of checks or cash received in 2010, nor did it have bank statements to verify deposits.

Cause: The Cooperative was not aware of the need to keep additional supporting documentation to support any deposits made to the Cooperative's bank account. The Cooperative did create reports showing some of their reports but no original documents were available. Additionally, a fire in a storage area for the Cooperative's supporting documentation in 2013 may, or may not, have led to the destruction of these documents. Some documents were destroyed by the fire and some documents became mixed with other year's documents in the cleanup process, so it is impossible to know if the documents ever existed or not.

Effect: We were unable to review any bank statements for the year to confirm deposits.

Auditor's Recommendation: We recommend that the Cooperative maintain copies of supporting documentation including a system printout showing which accounts were credited for all deposits and safe keep all bank statements.

Responsible Official's View:

• Specific corrective action plan for finding:

A monthly file folder has been set up containing the Bank Deposits, the Bank Receipts, account numbers credited, and the G/L Account Number.

• Timeline for completion of corrective action plan:

This corrective has been implemented and is in place.

• Employee position(s) responsible for meeting the timeline:

Administrative Assistant General Manager

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2009-4 – Purchase Orders and Payment Authorization (Significant Deficiency)

Criteria: In accordance with proper accounting procedures and 1.4.1 NMAC purchases of goods and services should be preceded with the issuance of a purchase order to encumber the funds. Additionally, sound accounting practices require proper segregation of duties, proper receiving procedures, proper documentation for payments, and proper authorization of expenditures.

Condition: During our testing of 25 cash disbursements we noted the following areas in which proper procedures are not being followed:

- 15 of 23 items tested had no purchase order
- 1 of 23 items tested had a purchase order with no amount listed

Cause: The Cooperative was unaware of the state purchasing guidelines affecting local public bodies which require the issuance of a purchase order for all purchases prior to committing or expending funds.

Effect: The Cooperative is not in compliance with state regulations regarding purchases with regards to issuance of purchase orders. Funds are not being encumbered prior to purchase.

Auditor's Recommendation: We recommend that the Cooperative begin issuing purchase orders for all purchases. We also recommend that an authorized official sign and date all invoices for products and services indicating that the invoice is "OK to pay" and that all payments have a proper invoice on file. This will provide assurance that an authorized individual is accepting responsibility for the products and services provided to the Cooperative.

Responsible Official's View:

Specific corrective action plan for finding:

A new Accounting Program has been implemented; this program includes a purchase order module for issuing, approving, tracking and approval to pay.

• Timeline for completion of corrective action plan:

The timeline for completion of the Purchase Order Accounting is July 3, 2017.

• Employee position(s) responsible for meeting the timeline:

General Manager Administrative Assistant

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2009-5 – Late Submission of Audit Report (Significant Deficiency)

Criteria: 2.2.2.9 A(g) NMAC requires local public bodies that have a fiscal year-end other than June 30th to file their audit report no later than 5 months after the fiscal year-end (June 1st).

Condition: The Cooperative did not complete the audit report in a timely manner.

Cause: Because of cash flow issues, the Cooperative did not procure an audit according to the Audit Rule. As such, they did not meet the June 1, 2011 deadline.

Effect: The submission of the audit report to the State Auditor was late.

Auditor's Recommendation: We recommend that the Cooperative complete the audit report each year by the June 1st deadline.

Responsible Official's View:

• Specific corrective action plan for finding:

The Cooperative will make every attempt to complete the Audit Report before the June 1st deadline, and incorporate the estimated cost of the Audit into the Annual Budget.

• Timeline for completion of corrective action plan:

The timeline for the Audit Report is before June 1st each year.

• Employee position(s) responsible for meeting the timeline:

Administrative Assistant General Manager

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2009-7 - Failure to File Federal Tax Return (Material Weakness)

Criteria: All non-profit organizations organized under section 501(a) of the Internal Revenue Code are required to file annual information returns.

Condition: North Star Domestic Water Consumers & Mutual Sewage Works Cooperative (Cooperative) did not file its Federal tax return for 2010 in a timely manner.

Cause: The Board and Management of the Cooperative chose to not file its Federal non-profit tax return for 2010 until November 2015.

Effect: The Cooperative placed its non-profit status in jeopardy by not filing its informational returns timely. In 2015, the Cooperative found out that its tax exempt status had been revoked effective May 15, 2012. However, the Cooperative fought the revocation, completed the filing of all late returns, and its non-profit status was reinstated retroactively on March 16, 2017.

Auditor's Recommendation: We recommend that the Cooperative complete all Federal tax return in a timely manner.

Responsible Official's View:

• Specific corrective action plan for finding:

In the future the Cooperative will complete all Federal non-profit tax returns in a timely manner.

• Timeline for completion of corrective action plan:

As the returns become due to submit.

• Employee position(s) responsible for meeting the timeline:

Administrative Assistant General Manager

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section I – Financial Statement Findings

2010-1 – Failure to Maintain Payroll Records (Significant Deficiency)

Criteria: Proper accounting controls and the Fair Labor Standards Act (FLSA) require that all organization maintain proper records to identify all employees, detailed records of hours worked by those employees, and compensation paid to those employees.

Condition: The Cooperative was unable to find any payroll documents, including time sheets, pay stubs, or detailed payment records, for the 2010 fiscal year.

Cause: The Cooperative has not kept sufficient records for review by the auditors. These records may have been lost in a fire which destroyed some records and caused other records to be mixed into other years. During the previous year these records were available for review.

Effect: The Cooperative is unable to provide documentation related payroll expenditures for 2010.

Auditor's Recommendation: We recommend that the Cooperative complete maintain proper records related to employee hours worked and compensation for those hours.

Responsible Official's View:

• Specific corrective action plan for finding:

Proper maintaining of the payroll record for employee hours is now being done as required.

• Timeline for completion of corrective action plan:

This has already been started.

• Employee position(s) responsible for meeting the timeline:

Administrative Assistant

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED DECEMBER 31, 2010

Section II - Prior Year Financial Statement Findings

- 2008-1 Improper Recording and Maintenance of Fixed Assets Repeated and Revised
- 2009-1 Late Submission of IPA Recommendation form and Audit Contract Repeated
- 2009-2 Bank Reconciliation Procedures Repeated and Revised
- 2009-3 Lack of Supporting Documentation for Deposits Repeated and Revised
- 2009-4 Purchase Orders and Payment Authorization Repeated and Revised
- 2009-5 Late Submission of Audit Report Repeated
- 2009-6 Improper Procedures for Quotes, Bids, or RFP Resolved
- 2009-7 Failure to File Federal Tax Return Repeated

NORTH STAR DOMESTIC WATER CONSUMERS & MUTUAL SEWAGE WORKS COOPERATIVE, INC. OTHER DISCLOSURES FOR THE YEAR ENDED DECEMBER 31, 2010

Auditor Prepared Financial Statements

Manning Accounting and Consulting Services, LLC prepared the GAAP-basis financial statements and footnotes of North Star Domestic Water Consumers & Mutual Sewage Works Cooperative, Inc. from the original books and records provided to them by the management of the Cooperative. The Cooperative's management has reviewed and approved the financial statements and related notes, and they believe that their records adequately support the financial statements. The responsibility for the financial statements remains with the Cooperative.

Exit Conference

The contents of this report were discussed on May 11, 2017. The following individuals were in attendance.

North Star DWC & MSWC
Lloyd Ayliffe, General Manager
Bennie Brown, Secretary/Treasurer
Kim Tunell, Bookkeeper
Shane Chance, CPA, R. Shane Chance, CPA
Kia Cordell, R. Shane Chance, CPA

Manning Accounting and Consulting Services, LLC Byron R. Manning, CPA, Managing Partner
