Hector H. Balderas New Mexico State Auditor The Board of the Santa Clara Public Housing Authority Santa Clara, New Mexico

We have audited the accompanying financial statements of the business-type activities of the Santa Clara Public Housing Authority, as of and for the years-ended June 30, 2011 and 2010, which collectively comprise the Housing Authority's basic financial statements as listed in the table of contents. We also have audited the financial statements of the Santa Clara Public Housing Authority's budgetary comparisons presented as supplementary information as of and for the years ended June 30, 2011 and 2010 and as listed in the table of contents. These financial statements are the responsibility of Santa Clara Public Housing Authority's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and with standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We have also audited the financial statements of each of the Santa Clara Public Housing Authority's non major proprietary funds presented as supplementary information in the accompanying combining and individual fund financial statements as of and for the year-ended June 30, 2011 and 2010, as listed in the table of contents. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles of the United States of America used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Santa Clara Public Housing Authority as of June 30, 2011 and 2010, and the respective changes in financial position and cash flows, where applicable, thereof for the Santa Clara Public Housing Authority as of June 30, 2011 and 2010, in conformity with accounting principles generally accepted in the United States of America. In addition, in our opinion, the budgetary comparisons for the major enterprise funds present fairly, in all material respects, for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated March 21, 2012 on our consideration of the Santa Clara Public Housing Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

A Firm of Certified Public Accountants 6090 Surety Drive, Suite 100 • El Paso, TX 79905 • (915) 775-1040 Facsimile:(915) 775-1849 The *Management's Discussion and Analysis* on pages 3 through 7 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquires of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that are presented in the Santa Clara Housing Authority's basic financial statements and budgetary comparisons of the Santa Clara Public Housing Authority. The accompanying information listed as supporting Schedules 1 through 3 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The Financial Assessment Submission as required by the U. S. Department of Housing and Urban Development is presented for purposes of additional analysis. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Management's Discussion and Analysis

As management of the Santa Clara Public Housing Authority (SCPHA), we offer readers of the SCPHA's financial statements this narrative overview and analysis of the financial activities of the SCPHA for the latest fiscal year-ended June 30, 2011. We encourage readers to consider the information presented here in conjunction with the financial statements and additional information provided.

FINANCIAL HIGHLIGHTS

- The assets of the SCPHA exceeded its liabilities at the close of the most recent fiscal year by \$820,406 (net assets). Of this amount, \$96,156 (unrestricted net assets) may be used to meet the SCPHA's ongoing obligations to tenants.
- The SCPHA's total net assets decreased by \$35,538 during the fiscal year.
- As of June 30, 2011, the SCPHA had no restricted net assets.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the SCPHA's basic financial statements. The SCPHA's basic financial statements are comprised of two components: 1) fund financial statements, and 2) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Fund Financial Statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The SCPHA, like other state and local agencies, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The SCPHA is a proprietary fund.

Proprietary Funds. Proprietary funds are generally used to account for services for which the SCPHA charges tenants. The business-type activity of the SCPHA is the leasing and administration of low-rent housing. The SCPHA receives grants that help offset a significant portion of the costs of providing low-rent housing. The balance of the revenue comes through rent and fees charged to tenants.

The statement of net assets presents information on all of the SCPHA's assets and liabilities, with the difference between the two reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the SCPHA is improving or deteriorating. SCPHA is a component unit of the Village of Santa Clara.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the fund financial statements. The notes to the financial statements can be found on pages 17-25 of this report.

Analysis of Net Assets

As noted earlier, net assets may serve over time as a useful indicator of an agency's financial position. In the case of the SCPHA, net assets exceeded liabilities by \$820,466 at the close of the current fiscal year.

June 30, 2011

Management's Discussion and Analysis

The largest portion of the SCPHA's net assets represents the Authority's investment of \$724,250 in capital assets (e.g., improvements, buildings, machinery, and equipment). The SCPHA uses these capital assets to provide services to tenants; consequently, these assets are not available for future spending.

SANTA CLARA PUBLIC HOUSING AUTHORITY NET ASSETS June 30,

| Total Operating Expenses | | 228,755 | 246,879 |
| Operating Income (Loss) | | (34,543) | 319,793 |
| Net Assets-Beginning | | 854,949 | 535,156 |
| Net Assets-Ending | \$ | 820,406 | \$ 854,949 |

Management's Discussion and Analysis

Analysis of Changes in Net Assets (continued)

Revenues. As in previous years, in the low rent fund rental revenues are the majority of the total operating revenues. During the current fiscal year, federal subsidies were in the amount of \$96,503. Grant revenues in the grant fund totaled \$18,342.

Expenses. As in previous years, personnel services make up the largest portion of operating expense in the low rent fund. Due to the significant investments the SCPHA has in capital assets, depreciation continues to be a large operating expense. Unlike the other expenses listed, depreciation is not a cash expense. The total expenses for the current fiscal year are 14% less than the prior fiscal year.

FINANCIAL ANALYSIS OF THE HOUSING AUTHORITY'S FUNDS

As noted earlier, SCPHA uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

At the end of the fiscal year, the unrestricted net assets for the low rent fund were \$96,156. The total decrease in transfers was \$394,027. Other factors concerning the finances of this fund have been addressed previously in the discussion of the SCPHA's business-type activities.

Capital Asset and Debt Administration

Capital Assets. The SCPHA's capital assets for its business-type activities as of June 30, 2011 amount to \$724,250 (net of accumulated depreciation). Capital assets include improvements, buildings, machinery, and equipment. There was an increase in business-type capital assets in the amount of \$18,342 (excluding accumulated depreciation) for the current fiscal year.

Capital Assets, Net of Depreciation June 30,

| | 2011 | 2010 |
|---|---------------|---------------|
| Buildings | \$ 107,115 | \$ 134,541 |
| Computer Software | 5,382 | - |
| Improvements | 605,952 | 610,438 |
| Machinery and Equipment | 5,801 | 13,383 |
| Capital Assets, Net of Accumulated Depreciation | \$ 724,250 | \$ 758,362 |

For proprietary fund financial statement presentation, all depreciable capital assets were depreciated from acquisition date to the end of the current fiscal year. Fund financial statements record capital asset purchases as expenditures. See Note 5 in the accompanying Notes to the Financial Statements for further information regarding capital assets.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The SCPHA's staff and Board of Commissioners consider many factors when setting the fiscal year 2011 budget. The U.S. Department of Housing and Urban Development has calculated the operating subsidy for the first six months of the most recent fiscal year to be approximately \$30,739. The SCPHA plans to keep the vacancy rate low and expenses will be closely monitored.

Management's Discussion and Analysis

SUPPLEMENTARY INFORMATION

The SCPHA contracts a fee accountant for all accounting services. The fee accountant is responsible for the preparation of budgets and budget revisions, monthly financial reports and all REAC required submissions.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the SCPHA's finances for all of those with an interest in the proprietary fund's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Gloria Duran, Santa Clara Public Housing Authority, P.O. Box 275, Santa Clara, New Mexico, 88026.

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2011

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Santa Clara Public Housing Authority (SCPHA) was established in 1976. Five commissioners who are selected by the Santa Clara Board of Trustees govern it. For financial reporting purposes only, the SPCHA is a discretely presented component unit of the Village of Santa Clara. The SCPHA was created to provide a conduit for housing funds for disadvantaged citizens.

The financial statements of SCPHA have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards that, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units. The more significant of the SCPHA's accounting policies are described below.

A. Reporting Entity

In evaluating how to define the reporting entity for financial reporting purposes, management has considered all potential component units. The decision to include any potential component units in the reporting entity was made by applying the criteria set forth in GAAP. The most primary standard for including or excluding a potential component unit with the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, the ability to significantly influence operations, and accountability for fiscal matters. A second criterion used in evaluating potential component units is the scope of public service. Application of this criterion involves considering whether the activity benefits the government and/or its citizens, or whether the activity is conducted within the geographic boundaries of the government and is generally available to its citizens. A third criterion used to evaluate potential component units for inclusion or exclusion from the reporting entity is the existence of special financing relationships, regardless of whether the SCPHA is able to exercise oversight responsibilities. Based upon the application of these criteria, the SCPHA has no component units.

B. Basis of Presentation and Accounting

The SCPHA's basic financial statements are presented on the full accrual basis of accounting and conform to accounting principles generally accepted in the United States of America. The SCPHA has elected to apply the provisions of all relevant pronouncements of the Financial Accounting Standards Board (FASB), the Accounting Principles Board (APB), or any Accounting Research Bulletins (ARB) issued on or before November 30, 1989, unless these pronouncements conflict with or contradict GASB pronouncements. The SCPHA also has the option of following all FASB Statements and Interpretations issued after November 30, 1989, except for those that conflict with or contradict GASB pronouncements. The SCPHA has elected not to follow FASB Statement and Interpretation issued after November 30, 1989.

The accounts of the SCPHA are organized on the basis of a proprietary fund type, specifically an enterprise fund. The activities of this fund are accounted for with a separate set of self-balancing accounts that comprise the SCPHA's assets, liabilities, net assets, revenues and expenses.

June 30, 2011

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of Presentation and Accounting (continued)

Enterprise funds account for activities; (1) that are financed with debt that is secured solely by a pledge of the net revenues from fees and charges of the activity; or (2) that are required by laws or regulations that the SCPHA's cost of providing services, including capital costs, such as depreciation or debt service, be recovered with fees and charges rather than with taxes or similar revenues; or (3) that the pricing policies of the SCPHA establish fees and charges designed to recover its costs, including capital costs, such as depreciation or debt service.

The accounting and financial reporting treatment applied to the SCPHA is determined by its measurement focus. The transactions of the SCPHA are accounted for on a flow of economic resources measurement focus and the accrual basis of accounting. With this measurement focus, all assets and all liabilities associated with the operations are included on the statement of net assets. Net assets, such as total assets net of total liabilities, are segregated into invested in unrestricted resources are available for use; it is the SCPHA's policy to use restricted resources first, then unrestricted resources as they are needed.

The SCPHA distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the SCPHA's principal ongoing operations. The principal operating revenues are rental income and federal grants. Operating expenses for the fund includes the cost of maintenance, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of cash flows. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by U.S. Department of Housing and Urban Development (HUD) have been met. As a general rule, the effect of inter-fund activity has been eliminated from the government-wide financial statements.

C. Budgets

The SCPHA adheres to the following regarding the budget:

- 1. The executive director and the fee accountant prepare the budget in accordance with HUD guidelines.
- 2. Capital expenditures for the Capital Fund Program (CFP) are budgeted for grant purposes. Expenditures capitalized are reflected as increases to capital assets and reported on the statement of net assets. The SCPHA does not budget for depreciation expense.
- 3. HUD reviews the proposed budget and makes corrections, revisions and amendments as necessary.
- 4. The executive director submits the budget to the SCPHA's Board of Commissioners for approval.
- 5. The Board of Commissioner's approves the budget.

This budget is a guideline to operations but is not a legally enforceable document.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Cash and Cash Equivalents

The SCPHA's cash and cash equivalents are considered to be cash on hand, demand deposits and shortterm investments with original maturities of three months or less from the date of acquisition. State statutes authorize the SCPHA to invest in interest bearing accounts with local financial institutions, direct obligations of the U.S. Treasury or New Mexico political subdivisions and the State Treasurer's Investment Pool. New Mexico Statutes require that financial institutions with public monies, in an amount not less than 50% of the uninsured public monies held on deposit. Collateral pledged is held in safekeeping by other financial institutions, with safekeeping receipts held by the SCPHA. The pledged securities remain in the name of the financial institution. There were no short-term investments held at June 30, 2011.

E. Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual receivables from grants and tenants. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the applicable accounts receivable. Changes in the valuation allowance have not been material to the financial statements. All accounts are considered collectible; therefore, an allowance was not provided.

F. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the proprietary fund financial statements.

June 30, 2011

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. Capital Assets

Capital assets, which include buildings, improvements, and equipment, are valued and reported at cost where historical records are available and at an estimated historical cost where no historical records exist. Donated capital assets are recorded at estimated fair market value at the date of donation. The SCPHA defines capital assets including computer software as assets with an initial individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of one year.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Improvements of \$5,000 or more are capitalized and depreciated over the remaining useful lives of the related capital assets, as applicable. No computer software is developed inhouse.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed. During 2011 and 2010, no interest was included as part of the cost of capital assets under construction.

Buildings, improvements, and equipment are depreciated using the straight-line method over the following estimated useful lives:

| Assets | Years |
|-----------------------------------|-------|
| Buildings | 40 |
| Improvements | 12-25 |
| Furniture, equipment and vehicles | 5-10 |

H. Compensated Absences

Vested or accumulated vacation leave that is expected to be liquidated with expendable available resources, is reflected as a liability of the SCPHA. In accordance with the provisions of Governmental Accounting Standards Board, Statement No. 16, *Accounting for Compensated Absences*, no liability is recorded for non-vesting accumulating rights to receive sick pay benefits. Annual leave is earned according to the following schedule:

- After the first year anniversary date, an employee will acquire ten days, two weeks of annual leave per year. This schedule is for employees employed by the SCPHA for the first seven years of employment.
- After seven years of employment, an employee will acquire fifteen days, three weeks of annual leave per year.
- After fifteen years of employment, an employee will acquire twenty days, four weeks of annual leave per year.
- One personal day per year will be given, including those employees on a probationary period.

Upon termination, any unused annual vacation leave shall be paid.

I. Net Assets

Net assets comprise the various net earnings from operating income, non-operating revenues and expenses and capital contributions, net assets are classified in the following three components:

The invested in capital assets consists of capital assets, net of accumulated depreciation.

June 30, 2011

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

I. Net Assets (continued)

Restricted net assets consist of constraints imposed by creditors, such as through debt covenants; grantors, contributors or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted net assets consists of net assets that do not meet the definition of "restricted" or "invested in capital assets."

J. Cash Flows

For the purpose of the statement of cash flows, the SCPHA considers all highly liquid investments, including restricted cash with maturity of three months or less when purchased, to be cash equivalents.

K. Inter-Fund Transactions

Quasi-external transactions are accounted for as revenues, expenditures or expenses. Transactions that constitute reimbursements to a fund from expenditures/expenses initially made from it that are properly applicable to another fund, are recorded as expenditures/expenses in the reimbursing fund and as reductions of expenditures/expenses in the fund that is reimbursed.

All other inter-fund transactions, except quasi-external transactions and reimbursements are reported as transfers. All other inter-fund transfers are reported as operating transfers.

L. Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 CASH

New Mexico State Statutes provide authoritative guidance regarding the deposit of cash and idle cash. Deposits of funds may be made in interest or non-interest bearing checking accounts. Deposits may be made to the extent that they are insured by an agency of the United States of America or by collateral deposited as security or by bond given by the financial institution.

Idle cash may be invested in a wide variety of instruments, including money market accounts, certificates of deposit, the New Mexico State Treasurer's investment pool or in securities that are issued by the state or by the United States government or by their departments or agencies and which are either direct obligations of the state or the United States or are backed by the full faith and credit of those governments.

Cash Deposited with Financial Institutions. The SCPHA maintains cash in one financial institution. The SCPHA's deposits are carried at cost.

June 30, 2011

NOTE 2 CASH (continued)

The amounts reported as cash for the SCPHA within the financial statement is displayed as:

| | 2011 | 2010 |
|-----------------|---------------|--------------|
| Cash | \$ 104,892 | \$ 16,149 |
| Tenant Deposits | 2,703 | 2,822 |
| Total | \$ 107,595 | \$ 18,971 |

Except for items in transit, the carrying value of deposits by the respective depositories equated to the carrying value by the SCPHA. The Federal Deposit Insurance Corporation (FDIC) insures all deposits.

| Wells Fargo Bank | | |
|------------------------|---------------|--------------|
| New Mexico, N.A. | | |
| | 2011 | 2010 |
| Checking | \$ 107,595 | \$ 18,971 |
| Less FDIC checking | (107,595) | (18,971) |
| Uninsured public funds | \$ - | \$ - |

NOTE 3 CUSTODIAL CREDIT RISK - DEPOSITS

Custodial credit risk is the risk that in the event of a bank failure, the SCPHA's deposit may not be returned to it. The SCPHA does not have a deposit policy for custodial risk. As of June 30, 2011, all of the SCPHA's deposits were insured; therefore, the SCPHA'S was not exposed to custodial risk.

NOTE 4 RECEIVABLES

Receivables as of June 30, 2011, are as follows:

| | L | 20 W |
|---|--------|-----------|
| | Income | e Housing |
| Dwelling rent receivable | \$ | 2,087 |
| Totals-net of allowance for doubtful accounts | \$ | 2,087 |

Low

Receivables as of June 30, 2010, are as follows:

| | L | OW |
|---|--------|---------|
| | Income | Housing |
| Dwelling rent receivable | \$ | 5,044 |
| Subsidy receivable | | 83,719 |
| Totals-net of allowance for doubtful accounts | \$ | 88,763 |

The above receivables are deemed 100% collectible within one year.

June 30, 2011

NOTE 5 CAPITAL ASSETS

The following is a summary of capital assets and changes occurring during the years-ended June 30, 2011 and June 30, 2010. Land is not subject to depreciation.

| Business-Like Activities | Balance | Balance | | Balance |
|---|---------------|-------------|-----------|---------------|
| | June 30, 2010 | Additions | Deletions | June 30, 2011 |
| Capital assets being depreciated Buildings | \$ 625,592 | \$ - | \$ - | \$ 625,592 |
| Improvements | 765,473 | 12,242 | - | 777,715 |
| Computer Software | - | 6100 | - | 6,100 |
| Furniture, equipment, vehicles | 61,381 | | | 61,381 |
| Total | 1,452,446 | 18,342 | - | 1,470,788 |
| Accumulated depreciation | | | | |
| Building | 491,051 | 27,426 | - | 518,477 |
| Computer Software | - | 718 | - | 718 |
| Improvements | 155,035 | 16,728 | - | 171,763 |
| Furniture, equipment, vehicles | 47,998 | 7,582 | | 55,580 |
| Total | 694,084 | 52,454 | | 746,538 |
| Net book value | \$ 758,362 | \$ (34,112) | \$ - | \$ 724,250 |

Depreciation expense relating to business-like activities for the year-ended June 30, 2011 totaled \$52,454 and June 30, 2010 was \$42,535.

NOTE 6 INTER-FUND GRANT TRANSFERS

Transfers to/from other funds at June 30, consist of the following:

| 2011 | 2010 | From | То | Reason |
|--------------|----------------------|--|--------------------------------|---|
| | | Capital Projects Funds | | |
| \$ 12,242 | \$- | Project #NM02P029501-08 | Low rent fund | To transfer prior year funds for capital expensed items |
| 6,100 | - | Project#NM02P029501-8 | | For management improvement |
| | 303,393 | Project #NM025029501-09 | Appropriation from standard NM | To transfer funds for operations A |
| | | | for Colonias Gran | nt |
| | 64,012 | Project #NM025029501-09 | ARRA Grant CDPA 64.012 | To transfer current year funds for capital |
| | 21,055 | Project #NM02P9501-08 | HUD Grant | To transfer current year funds for capital expenditures |
| | 10,140 | Project #NM02P902950107 | HUD Grant | To transfer current year funds for capital expenditures |
| \$ 18,342 | 13,769 \$ 412,369 | Project #NM02P902950107 Total transfers | HUD Grant | To transfer current year funds for capital expenditures |

June 30, 2011

NOTE 7 COMPENSATED ABSENCES

The following changes occurred in the compensated absences liabilities reported in the statement of net assets:

| B | alance | | | | | В | alance | | | | | В | alance | | Due /ithin |
|--------------|--------|----|-----------|----|-----------|----|--------------|----|-------------------------|----|-------|---------|--------|---------|---------------|
| June 30,2009 | | Ac | Additions | | Decreases | | June 30,2010 | | 010 Additions Decreases | | June | 30,2011 | Or | ne Year | |
| | | | | | | | | | | | | | | | |
| \$ | 4,280 | \$ | 6,805 | \$ | (1,636) | \$ | 9,449 | \$ | 1,110 | \$ | 9,449 | \$ | 1,110 | \$ | 1,110 |

The low-rent fund has been used to liquidate the compensated absence liability.

NOTE 8 OTHER REQUIRED INDIVIDUAL FUND DISCLOSURES

Generally accepted accounting principles require disclosures as part of the Combining Statements – overview of certain information concerning individual funds including:

There were no funds reflecting a deficit fund balance as of June 30, 2011 and 2010.

NOTE 9 PERA PENSION PLAN

Plan Description. All of SCPHA's full-time employees participate in a defined benefit contributory retirement plan through the Public Employees Retirement Act (Chapter 10, Article 11 NMSA 1978) of the State of New Mexico, a cost sharing, multiple-employer defined benefit retirement system. The Public Employees Retirement Association (PERA) is the administrator of the plan. The plan provides for retirement, disability benefits, survivor benefits, and cost-of-living adjustments to plan members and beneficiaries. PERA issues a separate, publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to PERA, P.O. Box 2123, Santa Fe, New Mexico 87504-2123.

Funding Policy. For covered employees, participants were required to contribute 7% of their gross salary to the plan. The SCPHA contributes a required matching contribution of 7% of each participant's gross salary. The SCPHA's contributions to PERA for the years ended June 30, 2011, 2010 and 2009 were \$5,000, \$9,449, and \$1,646 equal to the amount of the required contributions for the years, respectively.

NOTE 10 POST EMPLOYMENT BENEFITS

The Retiree Health Care Act, Chapter IV, Article 7C, NMSA 1978, provides a comprehensive core group health insurance for persons who have retired from certain public service in New Mexico. The SCPHA has elected not to participate in the post-employment health insurance plan.

NOTE 11 RISK MANAGEMENT

The SCPHA is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; injuries and natural disasters.

The SCPHA is a member and is insured through the State of New Mexico self-insurance program. The SCPHA pays an annual premium to the Authority based on claim experience and the status of the pool. The Risk Management Program includes Workers' Compensation, General and Automobile Liability, Automobile Physical Damage and Property and Crime coverage. The SCPHA is not liable for more than the premiums paid. Total premiums paid for the years ending June 30, 2011 and 2010 are \$9,993 and \$9,903 respectively.

June 30, 2011

NOTE 12 CONTINGENT LIABILITIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amounts, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the SCPHA expects such amounts, if any to be immaterial.

The Executive Director has accumulated approximately 800 hours of compensated time for working beyond the 40 hours required for her position for the year ending June 30, 2010. The Board of Commissioners made a determination to pay the executive director the accumulated uncompensated time. The value of this compensation was \$8,348.

NOTE 13 FEDERAL GRANTS

In the normal course of operations, the SCPHA receives grant funds from U.S. Department of Housing and Urban Development (HUD). Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement, which may arise as a result of these audits, is not believed to be material. During the years ending June 30, 2011 and 2010, HUD awarded \$96,503 and \$94,590 as low-rent subsidies.

NOTE 14 SUBSEQUENT EVENTS

The SCPHA has contracts and grant awards for construction projects in various stages of completion. Such contracts, funded principally by federal agencies constitute future commitments.

NOTE 15 INTERGOVERNMENTAL TRANSACTIONS

During the years ended June 30, 2011 and 2010, the SCPHA paid approximately \$18,152 and \$13,991, respectively, for water expenses to the Village of Santa Clara.

COMPLIANCE SECTION

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards (Material Weaknesses and Significant Deficiencies and Reportable Instances of Noncompliance and Other matters Identified)

Hector H. Balderas New Mexico State Auditor The Board of Commissioners Santa Clara Public Housing Authority Santa Clara, New Mexico

We have audited the financial statements, business activities and the related budgetary comparison of Santa Clara Public Housing Authority (SCPHA) as of and for the years ended June 30, 2011 and 2010, and have issued our report thereon dated March 21, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Santa Clara Public Housing Authority is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Santa Clara Public Housing Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Santa Clara Public Housing Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Santa Clara Public Housing Authority's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying *schedule of findings and responses*, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses *and other deficiencies that we consider to be significant deficiencies*.

A *deficiency in internal* control exists when the design or operation of a control does not allow management or employees, in the normal course or performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. The results of our tests did not disclose instances of deficiency in internal control.

A significant deficiency is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying *schedule of findings and* responses to be significant deficiencies as 06-6.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Santa Clara Public Housing Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do to express such an opinion. The results of our tests did not disclose instances of noncompliance or other matters that are required to be reported under *Government Auditing Standard*.

The Santa Clara Public Housing Authority's responses to the findings identified in our audit are described in the accompanying *schedule of findings and responses*. We did not audit Santa Clara Public Housing Authority's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the Board of Trustees, others within the entity, and the New Mexico Legislature, the New Mexico Department of Finance and Administration, and the Office of the New Mexico State Auditor and is not intended to be and should not be used by anyone other than these specified parties.

STATE OF NEW MEXICO SANTA CLARA PUBLIC HOUSING AUTHORITY Schedule of Findings and Responses

June 30, 2011

Prior Year Reportable Findings and Questioned Costs - Financial Statement Findings:

06-2 General Ledger, Accounting Records, and Reconciliations – Resolved

- 06-6 Audit Report Submission to the New Mexico State Auditor Repeated and Modified
- 07-1 Failure to File Accurate Payroll Tax Reports-Resolved

08-1 Failure to Report Rent Subsidies on GAAP Basis- Resolved

10-1 Failure to record accounts payable-Resolved

Current Year Reportable Findings and Questioned Costs - Financial Statement Findings:

Finding 06-6 Audit report submission to The New Mexico State Auditor (Other)

Condition

The audit report was not completed and forwarded to the New Mexico State Auditor in a timely manner. The report was delivered on March 21, 2012.

Criteria

As per SAO 2.2.2.9, (A) (1) (d), the New Mexico State Audit contract calls for this audit report to be delivered by December 1, 2011.

Cause

The audit was not submitted to the SCPHA until March 21, 2012. The current year auditor's contract was not awarded in the normal course of distribution. Also, additional time was needed by the auditor to assemble the necessary financial information. SCPHA had to change fee accountants in order to complete the accounting process subsequent to June 30, 2011.

Effect

Violation of the State Auditor's Rule. Audited financial information is not available for the SCPHA to use and distribute as necessary.

Recommendation

The SCPHA, along with the auditor, must implement procedures that would produce a timely audit. Proper accounting control must be established where the SCPHA staff is able to produce financial information for the auditor that has been properly reconciled.

Response

The SCPHA will work along with the auditor to implement procedures that will produce a timely audit. In the future because a new fee accountant has been contracted to maintain the records on a timely basis.

STATE OF NEW MEXICO SANTA CLARA PUBLIC HOUSING AUTHORITY Exit Conference June 30, 2011

EXIT CONFERENCE

As exit conference was held on March 22, 2012, with Jack Fairall, CPA of Marcus, Fairall, Bristol + Co., PLLC with the following SCPHA officials:

Sonya Dixon-Board Member

Gloria Duran-Executive Director

COMPILATION OF FINANCIAL STATEMENTS

The financial statements presented in this report were compiled by the auditors, Marcus, Fairall, Bristol + Co., PLLC. However, the contents remain the responsibility of Santa Clara Public Housing Authority. The individuals responsible for the accounting and reporting function possess the skills and knowledge to apply generally accepted accounting principles in recording the agency's financial transactions or preparing its financial statements.
