#### **INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES**

Sherman Martin, Mayor and  
The Village Council  
Village of House  
and Timothy Keller, New Mexico State Auditor

We have performed the procedures enumerated below for the Village of House for the year ended June 30, 2015. The Village of House was determined to be a Tier 4 entity under the Audit Act, Section 12-6-3 B (4) NMSA 1978 and Section 2.2.2.16 NMAC. The procedures were agreed to by the Village of House through the Office of the New Mexico State Auditor. The Village of House's management is responsible for the organization's accounting records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures and findings are as follows:

##### **1. Cash**

Procedures:

- (a) Determine whether bank reconciliations are being performed in a timely manner and whether all bank and investment statements for the fiscal year are complete and on-hand.
- (b) Perform a random test of bank reconciliations for accuracy. Also, trace ending balances to the general ledger, supporting documentation and the financial reports submitted to DFA-Local Government Division (DFA-LGD).
- (c) Determine whether the local public body's financial institutions have provided it with the 50% of pledged collateral on all uninsured deposits as required by Section 6-10-17 NMSA 1978, NM Public Money Act, if applicable.

Findings:

The Village of House has one bank account and utilizes Quickbooks to record transactions. All bank reconciliations are performed within days of receiving the bank statements and all were complete and on-hand.

Random tests of bank reconciliations revealed that the reconciliations were accurate and agreed with supporting documentation and with the quarterly financial reports submitted to DFA-LGD.

All of the Village's Deposits were covered under FDIC Insurance.

## **2. Capital Assets**

Procedures:

- (a) Verify that the local public body is performing a yearly inventory as required by Section 12-6-10 NMSA1978.

Findings:

The Village of House performed a yearly inventory as required by Section 12-6-10 NMSA 1978 and maintains a capital asset listing.

## **3. Revenue**

Procedures:

Identify the nature and amount of revenue from sources by reviewing the budget, agreements, rate schedules, and underlying documentation.

- (a) Perform an analytical review; test actual revenue compared to budgeted revenue for the year for each type of revenue.
- (b) Test random sample of the total amount of revenues for the following attributes:

Amount recorded in the general ledger agrees to the supporting documentation and the bank statement. Proper recording of classification, amount, and period per review of supporting documentation and the general ledger. Perform this revenue work on the same accounting basis that the local public body keeps its accounting records on, cash basis, modified accrual basis, or accrual basis.

Findings:

Analytical review and test of actual revenue compared to budgeted revenue for the year for each type of revenue revealed no exceptions. Amounts recorded in Quickbooks agreed with supporting documentation and the amounts were properly recorded on a cash basis as to classification, amount and period per review of supporting documentation. The items tested were 52% of the transactions and the dollar amount was \$167,459.

## **4. Expenditures**

Procedures:

- (a) Select a sample of cash disbursements and test the total amount of expenditures for the following attributes:

- (b) Determine that amount recorded as disbursed agrees to adequate supporting documentation. Verify that amount, payee, date and description agree to the vendor's invoice, purchase order, contract and cancelled check, as appropriate.
- (c) Determine that disbursements were properly authorized and approved in compliance with the budget, legal requirements and established policies and procedures.
- (d) Determine that the bid process (or request for proposal process if applicable), purchase orders, contracts and agreements were processed in accordance with the New Mexico Procurement Code (Section 13-1-28 through 13-1-99 NMSA 1978) and State Purchasing Regulations (1.4.1 NMAC) and Regulations Governing the Per Diem and Mileage Act (2.42.2 NMAC).

Findings:

Amounts recorded as disbursed agreed to supporting documentation. Amount paid, payee, date and description agreed with the vendor's invoice, purchase order, contract and cancelled check, as appropriate. The amounts tested was 55% of transactions and dollar amount was \$127,935.

Disbursements were properly authorized and approved in compliance with the budget, legal requirements and established policies and procedures.

The bid process (or request for proposal process, if applicable), purchase orders, contracts and agreements were processed in accordance with the New Mexico Procurement Code (Section 13-1-28 through 13-1-99 NMSA 1978) and State Purchasing Regulations (1.4.1 NMAC) and Regulations Governing the Per Diem and Mileage Act (2.42.2 NMAC ).

## 5. Journal Entries

Procedures:

- (a) If non-routine journal entries, such as adjustments or reclassifications, are posted to the general ledger, test significant items for the following attributes:
- (b) Journal entries appear reasonable and have supporting documentation.
- (c) The local public body has procedures that require journal entries to be reviewed and there is evidence the reviews are being performed.

Findings:

The Village of House utilizes Quickbooks to record cash transactions only and did not prepare journal entries. The Village has a policy to review any journal entries if necessary.

## 6. Budget

Procedures:

- (a) Obtain the original fiscal year budget and all budget amendments made throughout the fiscal year and perform the following:

- (b) Verify, through a review of the minutes and correspondence, that the original budget and subsequent budget adjustments were approved by the local public body's governing body and DFA-LGD.
- (c) Determine if the total actual expenditures exceeded the final budget at the legal level of budgetary control; if so, report a compliance finding.
- (d) From the original and final approved budgets and general ledger, prepare a schedule of revenues and expenditures - budget and actual on the budgetary basis used by the local public body (cash, accrual or modified accrual basis) for each individual fund.

#### Findings:

A review of the minutes revealed that the original budget was approved by the Village of House and the DFA-LGD. There were four subsequent budget adjustments which were approved by the DFA-LGD.

Total actual expenditures did not exceed the final budget at the total fund level, the legal level of budgetary control.

A schedule of revenues and expenditures - budget and actual was prepared on the cash budgetary basis used by the Village of House. These schedules are presented on pages 7-14.

#### 7. Other Procedures

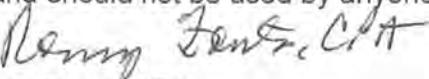

If information comes to the IPA's attention (regardless of materiality) indicating any fraud, illegal acts, noncompliance, or any internal control deficiencies, disclose in the report as required by Section, 12-6-6 NMSA 1978. The findings must include the required content per Section 2.2.2.10 (I) (3) (C)NMAC.

#### Findings

No exceptions were found as a result of applying the procedures described above (regardless of materiality) indicating any fraud, illegal acts, noncompliance, or any internal control deficiencies.

We were not engaged to, and did not conduct an audit, the objective of which would be the expression of an opinion on the accounting records. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of Village of House, the New Mexico State Auditor's Office, New Mexico State Legislature and the DFA-LGD and is not intended to be and should not be used by anyone other than those specified parties.
