### INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED UPON PROCEDURES

Wayne Johnson
New Mexico State Auditor
and
Members of the Board
Ciudad Soil and Water Conservation District
Albuquerque, New Mexico

We have performed the procedures enumerated below, which were agreed by the State of New Mexico, Ciudad Soil and Water Conservation District (District) for the year ended June 30, 2018, solely to assist you with respect to the District's compliance for a Tier 4 engagement of Tier 4 of the Audit Act Section 12-6-1 NMSA 1978 et seq. The procedures were agreed to by the District through the Office of the New Mexico State Auditor. The Ciudad Soil and Water Conservation District management is responsible for the organization's accounting records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the America Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representations regarding the sufficiency of the procedures described below either for the purposes for which this report has been requested or for any other purpose.

The procedures we performed, and the associated findings are included in this report.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Tier 4 agreed upon procedures. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and others within the District, the State Auditor, the Department of Finance and Administration – Local Government Division, and the New Mexico State Legislature and is not intended to be and should not be used by anyone other than these specified parties.

Our procedures and findings are as follows:

### 1. Verify Tier

### **Procedures**

a. Verify the local public body's revenue calculation and tier determination documented on the form provided at www.osanm.org under "Tiered System Reporting Main Page"

### **Results of Procedures Performed**

a. We verified the District's revenue calculation and tier determinations. The District's cash basis revenue was between the Tier 4 lower and upper limits and had no state capital outlay.

### 2. Cash

### **Procedures**

- a. Determine whether bank reconciliations are being performed in a timely manner and whether all bank and investment statements for the fiscal year are complete and on-hand.
- b. Test at least 30% of the bank reconciliations for accuracy. Also trace ending balances to the general ledger, supporting documentation, and the financial reports submitted to DFA-Local Government Division.
- c. Determine whether the local public body's financial institutions have provided it with the 50% of pledged collateral on all uninsured deposits as required by Section 6-10-17 NMSA 1978, NM Public Money Act, if applicable.

### **Results of Procedures Performed**

- a. The bank reconciliations were performed monthly in a timely manner. All bank statements for the fiscal year were complete and on hand. For the period July 1, 2017 through June 30, 2018, the District had one checking account.
- b. The randomly selected bank reconciliations were accurate, and the ending balances on the bank reconciliations agreed with the District's general ledger, supporting documentation and the financial reports submitted to DFA-LGD.
- c. The District currently has one bank account and this one did not exceed FDIC coverage limit of \$250,000 during the year.

### 3. Capital Assets

### Procedures

a. Verify that the local public body is performing a yearly inventory as required by Section 12-6-10 NMSA 1978.

### **Results of Procedures Performed**

 a. Capital assets of the District include data processing equipment, furniture and fixtures, and equipment. The District performed a yearly inventory and has an official listing of the capital assets.

### 4. Revenue

### **Procedures**

Identify the nature and amount of revenue from sources by reviewing the budget, agreements, rate schedules, and underlying documentation.

a. Perform an analytical review; test actual revenue compared to budgeted revenue for the year for each type of revenue.

Select a sample of revenues equal to at least 30% of the total dollar amount and test the following attributes:

- b. Amount recorded in the general ledger agrees to the supporting documentation and the bank statement.
- c. Proper recording of classification, amount, and period per review of supporting documentation and the general ledger. Perform this revenue work on the same accounting basis that the local public body keeps its accounting records on, cash basis, modified accrual basis, or accrual basis.

### **Results of Procedures Performed**

- a. An analytical review of prior-year to current-year revenue revealed no unexplained or unusual variations. The test of actual revenue compared to budgeted revenue for the year for each type of revenue revealed no exceptions.
- b. We requested supporting documentation for twenty (20) deposits (83% of total revenue) from a total of 53 deposits for the year. For the sample selected, the amount recorded in the general ledger agreed with the supporting documentation and the bank statement.
- c. Per review of supporting documentation for the transactions tested, amounts were properly recorded on a cash basis as to classification, amount and period.

### 5. Expenditures

### Procedures

Select a sample of cash disbursements equal to at least 30% of the total dollar amount and test the following attributes:

- a. Determine that amount recorded as disbursed agrees to adequate supporting documentation. Verify that amount, payee, date and description agree to the vendor's invoice, purchase order, contract and canceled check, as appropriate.
- b. Determine that disbursements were properly authorized and approved in compliance with the budget, legal requirements and established policies and procedures.
- c. Determine that the bid process (or request for proposal process if applicable), purchase orders, contracts and agreements were processed in accordance with the New Mexico Procurement Code (Section 13-1-28 through 13-1-199 NMSA 1978) and State Purchasing Regulations (1.4.1 NMAC) and Regulations Governing the Per Diem and Mileage Act (2.42.2 NMAC).

### **Results of Procedures Performed**

- a) We requested supporting documentation for sixty-five (65) disbursements (44% of total expenses) out of a total of 244 disbursements for the year. The amounts recorded as disbursed agreed with the supporting documentation. The amount, payee, date and description of the purchase agreed with the vendor's invoice, contract and canceled check. The District does not use purchase order forms.
- b) For the sample selected, disbursements were properly authorized and approved in compliance with the budget, legal requirements and established policies and procedures.
- c) The bid process (or request for proposal process, if applicable), purchase orders, contracts and agreements were processed in accordance with the New Mexico Procurement Code (Section 13-1-28 through 13-1-99 NMSA 1978) and State Purchasing Regulations (1.4.1 NMAC) and Regulations Governing the Per Diem and Mileage Act (2.42.2 NMAC).

### 6. Journal Entries

### **Procedures**

Test all non-routine journal entries, adjustments, and reclassifications posted to the general ledger for the following attributes:

a. Journal entries appear reasonable and have supporting documentation.

b. The local public body has procedures that require journal entries to be reviewed and there is evidence the reviews are being performed.

### Results of Procedures Performed

There were no non-routine journal entries were posted to the general ledger during the fiscal year. Review of the general ledger during the course of the engagement, did not identify any journal entries recorded by the District.

### 7. Budget

### Procedures

Obtain the original fiscal year budget and all budget amendments made throughout the fiscal year and perform the following:

- a. Verify, through a review of the minutes and correspondence, that the original budget and subsequent budget adjustments were approved by the local public body's governing body and DFA-LGD.
- b. Determine if the total actual expenditures exceeded the final budget at the legal level of budgetary control; if so, report a compliance finding.
- c. From the original and final approved budgets and general ledger, prepare a schedule of revenues and expenditures budget and actual on the budgetary basis used by the local public body (cash, accrual or modified accrual basis) for each individual fund.

### **Results of Procedures Performed**

- a) Verified through the minutes and correspondence that the original budget was approved by the District's governing body and was approved by DFA-LGD on July 21, 2017. The District made one budget adjustment in FY18 that was approved by the Resolution 2018-02.
- b) Total actual expenditures did not exceed the final budget at the total fund level, the legal level of budgetary control.
- c) A schedule of revenues and expenditures budget and actual (page 8) was prepared from the DFA-LGD approved budget and the District's records on the cash budgetary basis used by the District, revealed no exceptions.

### 8. Other

### **Procedures**

If information comes to the IPA's attention (regardless of materiality) indicating any fraud, illegal acts, noncompliance, or any internal control deficiencies, such instances must be disclosed in the report as required by Section 12-6-6 NMSA 1978. The findings must include the required content per Section 2.2.2.10(1)(3)(C) NMAC.

### **Results of Procedures Performed**

No exceptions were found as a result of applying the procedures described above (regardless of materiality) indicating any fraud, illegal acts, noncompliance or any internal control deficiencies.
