To the Partners of

Cimmaron Limited Partnership Anthony, New Mexico and Hector H. Balderas, New Mexico State Auditor

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Cimmaron Limited Partnership, which comprise the balance sheets as of December 31, 2013 and 2012, and the related statements of operations, changes in partners' equity (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Cimmaron Limited Partnership's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cimmaron Limited Partnership's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cimmaron Limited Partnership as of December 31, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on Pages 18 - 19 is presented for purposes of additional analysis and is not a required part of the financial statements.

The accompanying supplementary information shown on Pages 18 - 19 is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information shown on Pages 18 - 19 is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 28, 2014, on our consideration of Cimmaron Limited Partnership's internal control over financial reporting, and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Cimmaron Limited Partnership's internal control over financial reporting and compliance.

#### **NOTE A - ORGANIZATION**

Cimmaron Limited Partnership was organized in 2004 as a Limited Partnership to develop, construct, own, maintain, and operate a 60-unit rental housing project for mixed income tenants with both tax credit and market rate units. The Project is located in the city of Anthony, New Mexico, and is currently known as Cimmaron Apartments. The major activities of the Partnership are governed by the Partnership Agreement and the Internal Revenue Code Section 42.

The management of the Partnership and the ongoing management of Cimmaron Apartments are vested in the Partners. The Partnership has hired JL Gray Company to provide day to day management for the property. Compensation for such services is as determined under the Partnership Agreement and Management Agreement.

The Project is financed and constructed under Section 542(c) of the Housing and Community Development Act, as amended, and is administered by the New Mexico Mortgage Finance Authority (MFA). Under this program, the Company provides housing to low and moderate income tenants, subject to regulation by MFA and the United States Department of Housing and Urban Development (HUD), as to rental charges and operating methods. Lower rental charges to tenants are recovered by the Project through rent subsidies provided by the local Public Housing Authority (PHA).

The Partnership is reported as a component unit of Mesilla Valley Public Housing Authority (MVPHA), previously Housing Authority of the City of Las Cruces, because MVPHA is a member of the General Partner of the Partnership. The Partnership has no component units.

#### NOTE B - SIGNIFICANT ACCOUNTING POLICIES

A summary of the Partnership's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

#### Basis of Accounting

The Partnership utilized the accrual basis of accounting, whereby income is recognized as earned and expenses are recognized as obligations are incurred.

#### Cash and Cash Equivalents

Cash and cash equivalents consist of unrestricted short-term investments with an original maturity of three months or less, cash on deposit, money market funds and certificates of deposit.

#### Cash and Other Deposits

The Partnership maintains its cash in financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). Deposit accounts, at times, may exceed federally insured limits. The Partnership has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

#### **NOTE B - SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### Collateralization of Deposits

The Project is a component unit of the Housing Authority of the City of Las Cruces and as such, is not required to secure collateralization on cash deposits.

#### **Tenants' Security Deposits**

Tenants' security deposits are held in a separate bank account. This account was funded in an amount greater than the security deposit liability as of December 31, 2013 and 2012.

#### Tenant Receivable and Bad Debt Policy

Tenant rent charges for the current month are due on the first of the month. The Partnership does not accrue interest on the tenant receivable balances. The Partnership has not established an allowance for doubtful accounts and does not use the reserve method for recognizing bad debts. Bad debts are treated as direct write-offs in the period management determines that collection is not probable.

#### **Property and Equipment**

Property and equipment are recorded at cost. Improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. Any resulting gains and losses are reflected in the statements of operations. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives using the straight-line method.

	Estimated Life
Buildings	40
Site Improvements	7-20
Furnishings	3-10

The Partnership reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the rental property including the Low Income Housing Tax Credits and any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the moment by which the carrying amount of the real estate exceeds the fair value of such property. There were no impairment losses recognized in 2013 or 2012.

#### **NOTE B - SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income passes through to, and is reportable by, the Partners individually. As of December 31, 2013, the Partnership's tax years for 2010, 2011 and 2012 are subject to examination by the federal and state tax authorities. With few exceptions, as of December 31, 2013, the Partnership is no longer subject to examinations by tax authorities for years before 2010.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Rental Income

Rental Income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

#### Reclassifications

Certain items in the 2012 financial statements have been reclassified to conform to the 2013 presentation.

#### NOTE C - PARTNERS' PROFIT AND LOSS ALLOCATION AND DISTRIBUTIONS

The Partners of Cimmaron Limited Partnership and their respective profit and loss percentages are as follows as of December 31, 2013 and 2012:

 $\begin{array}{lll} \text{General Partner:} & & & & \\ & \textit{CIMMARON APARTMENTS ONE LLC} & & 0.01 \% \\ \text{Limited Partner:} & & & & \\ & \textit{NEF Assignment Corporation} & & & & 99.99 \% \\ \text{Total} & & & & & \hline{100.00 \%} \end{array}$ 

Distributable cash flow is defined in the Partnership Agreement as the sum of all cash receipts less cash disbursements for operating activities and Replacement Reserve funding.

#### NOTE F - COMMITMENTS AND CONTINGENCIES

#### **Housing Tax Credits**

As incentive for investment equity, the Partnership applied for and received an allocation certificate for Housing Tax Credits established by the Tax Reform Act of 1986. To qualify for the Tax Credits, the Partnership must meet certain requirements, including attaining a qualified basis sufficient to support the credit allocation. In addition, tenant eligibility and rental charges are restricted in accordance with Internal Revenue Code Section 42. Management has certified that each Tax Credit unit has met these qualifications to allow the credits allocated to each unit be claimed.

Compliance with these regulations must be maintained in each of the fifteen consecutive years of the compliance period. Failure to maintain compliance with occupant eligibility, unit gross rent, or to correct noncompliance within a reasonable time period could result in recapture of previously claimed Tax Credits plus interest.

#### **HOME Investment Partnerships Program**

In addition, the Partnership received funding from the HOME Investment Partnerships Program to assist with financing the development of the Project. Under the terms of the agreement, three units shall be designated as floating HOME assisted units.

#### **Regulatory Agreement Provisions**

On February 5, 2001, the Company executed a 542 (c) Multifamily Insurance Program Regulatory Agreement with the New Mexico Mortgage Finance Authority in order to obtain the "risk-sharing" mortgage loan. The Company is required to abide by the Regulatory Agreement provisions including, but not limited to, (1) the maintenance of certain tenant income requirements, (2) limitations on surplus cash distributions, (3) Replacement Reserve requirements, and (4) compliance with Affirmative Fair Housing marketing plans.

#### Laundry Lease

The Partnership leased space for the installation and operation of coin-operated laundry and vending machine equipment to JL Gray Company for fifty percent (50%) of the laundry room receipts after Gross Receipts Tax. This lease continues in effect until terminated by either party. The Partnership received rental income of \$27 and \$94 for the years ended December 31, 2013 and 2012, respectively.

#### Reimbursed Expenses

The Management Agent is reimbursed for a few expenses that are directly related to this property. Due to the nature and function of the Management Agent, some expenses are incurred for the property by the Management Agent. These reimbursements qualify as eligible project expenses and do not duplicate expenses that are included in the management fee. The amounts due to the Management Agent related to reimbursed expenses are considered negligible as of December 31, 2013 and 2012, respectively.

#### NOTE G - TRANSACTIONS WITH AFFILIATES AND RELATED PARTIES (continued)

#### Operating Deficit Guaranty

Pursuant to the Partnership Agreement, the General Partner shall be obligated to provide any funds needed by the Partnership, after all funds in the Operating Reserve account have been used, to fund operating deficits through the later of the closing or conversion to the Permanent Loan and achievement of a Debt Service Coverage Ratio of 1.15:1, as defined. The amount guaranteed is limited to \$147,899. If this amount reaches zero, the General Partner is required to provide the funds to the Partnership for operating deficits. #### NOTE H - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The operations of the Partnership are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies. ### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Partners of Cimmaron Limited Partnership Anthony, New Mexico and Hector H. Balderas, New Mexico State Auditor

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Cimmaron Limited Partnership which comprise the balance sheet as of December 31, 2013, and related statement of operations, changes in partners' equity (deficit), and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 28, 2014.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Cimmaron Limited Partnership's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Cimmaron Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Cimmaron Limited Partnership's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Cimmaron Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR HUD PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE CONSOLIDATED AUDIT GUIDE FOR AUDITS OF HUD PROGRAMS

To the Partners of Cimmaron Limited Partnership Anthony, New Mexico and Hector H. Balderas, New Mexico State Auditor

#### Report on Compliance for Each Major HUD Program

We have audited Cimmaron Limited Partnership's compliance with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the Guide) that could have direct and material effect on each of Cimmaron Limited Partnership's major U.S. Department of Housing and Urban Development (HUD) programs for the year ended December 31, 2013. Cimmaron Limited Partnership's major HUD program is a HUD insured mortgage.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its HUD program(s).

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Cimmaron Limited Partnership's major HUD programs based on our audit of the compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major HUD program occurred. An audit includes examining, on a test basis, evidence about Cimmaron Limited Partnership's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major HUD program. However, our audit does not provide a legal determination of Cimmaron Limited Partnership's compliance.

#### Opinion on Each Major HUD Program

In our opinion, Cimmaron Limited Partnership complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major HUD programs for the year ended December 31, 2013.

#### **Report on Internal Control Over Compliance**

Management of Cimmaron Limited Partnership is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered Cimmaron Limited Partnership's internal control over compliance with the requirements that could have a direct and material effect on each major HUD program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major HUD program and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Cimmaron Limited Partnership's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.
