Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Robledo Ridge, LLLP's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Robledo Ridge, LLLP's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Robledo Ridge, LLLP as of December 31, 2016 and 2015, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
December 31, 2016 and 2015

NOTE A - ORGANIZATION

Robledo Ridge Limited Liability Limited Partnership was organized in 2011 as a Limited Partnership to develop, construct, own, maintain, and operate a 71-unit rental housing project for mixed income tenants with both tax credit and market rate units. The Project is located in the city of Las Cruces, New Mexico, and is currently known as Robledo Ridge Apartments. The Partnership provides housing to low income families and receives payments from the Department of Housing and Urban Development (HUD) in the form of housing assistance payments pursuant to a Section 8 Housing Assistance Payment Contract. The Project is regulated by the Department of Housing and Urban Development (HUD) as to rent charges and operating methods pursuant to the provisions of the mortgage, Housing Assistance Program Contract, and related Regulatory Agreement. The major activities of the Partnership are governed by the Partnership Agreement and the Internal Revenue Code Section 42.

The management of the Partnership and the ongoing management of Robledo Ridge Apartments are vested in the Partners. The Partnership has hired Mesilla Valley Public Housing Authority (MVPHA) to provide management functions for the property. MVPHA has hired a subcontractor, UAH Property Management, to provide day to day management for the property. Compensation for such services is as determined under the Partnership Agreement, Management Agreement, and Management Subcontractor Agreement.

The Project obtained permanent financing under Section 542(c) of the Housing and Community Development Act, as amended, administered by the New Mexico Mortgage Finance Authority (MFA) during 2014. Under this program, the Company provides housing to low and moderate income tenants, subject to regulation by MFA and the United States Department of Housing and Urban Development (HUD), as to rental charges and operating methods. Lower rental charges to tenants are recovered by the Project through rent subsidies provided by the local Public Housing Authority (PHA).

The Partnership is reported as a component unit of the Mesilla Valley Public Housing Authority because the MVPHA is a member of the General Partner of the Partnership. The Partnership has no component units.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

A summary of the Partnership's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

Basis of Accounting

The Partnership utilized the accrual basis of accounting, whereby income is recognized as earned and expenses are recognized as obligations are incurred.

Robledo Ridge, LLLP
Notes to Financial Statements
December 31, 2016 and 2015

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents

Cash and cash equivalents consist of unrestricted short-term investments with an original maturity of three months or less, cash on deposit, money market funds and certificates of deposit.

Cash and Other Deposits

The Partnership maintains its cash in financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). Deposit accounts, at times, may exceed federally insured limits. The Partnership has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Collateralization of Deposits

The Project is a component unit of the Housing Authority of the City of Las Cruces and as such, is not required to secure collateralization on cash deposits.

Tenants' Security Deposits

Tenants' security deposits are held in a separate bank account. This account was funded in an amount greater than the security deposit liability as of December 31, 2016 and 2015.

Tenant Receivable and Bad Debt Policy

Tenant rent charges for the current month are due on the first of the month. The Partnership does not accrue interest on the tenant receivable balances. The Partnership has established an allowance for doubtful accounts and uses the reserve method for recognizing bad debts. Bad debts are expensed in the period management determines that collection is not probable.

Property and Equipment

Property and equipment are recorded at cost. Improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. Any resulting gains and losses are reflected in the statements of operations. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives using the straight-line method.

	Estimated Life
Buildings	27.5-40
Land Improvements	10-20
Furniture, Fixtures & Equipment	10

Robledo Ridge, LLLP
Notes to Financial Statements
December 31, 2016 and 2015

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment

The Partnership reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the rental property including the Low Income Housing Tax Credits and any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. There were no impairment losses recognized in 2016 or 2015.

Deferred Fees and Amortization

Tax credit fees are amortized over fifteen years using the straight-line method.

Property Taxes

The General Partner is owned by a public housing authority which qualifies the Partnership for full exemption for property taxes. The tax exemption is subject to change by an act of State Legislature. Such change may occur with little notice and could materially impact the rental operations of the Project.

Income Taxes

No provision or benefit for income taxes has been included in these financial statements since taxable income passes through to, and is reportable by, the Partners individually. As of December 31, 2016, the Partnership's tax years for 2013, 2014, and 2015 are subject to examination by the federal and state tax authorities. With few exceptions, as of December 31, 2016, the Partnership is no longer subject to examinations by tax authorities for years before 2013.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Rental Income

Rental Income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases.

In 2016, the Project retroactively adopted the requirements in ASU No. 2015-03, *Interest-Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*, to present debt issuance costs as a reduction of the carrying amount of the related debt rather than as an asset. Long-term debt as of December 31, 2015 was previously reported on the balance sheet as \$3,051,083 with the associated \$32,292 unamortized debt issuance costs included in other assets. Amortization of debt issuance costs of \$1,643 and \$1,644 for the years ended December 31, 2016 and 2015 is reported as Financial Expense in the Statements of Operations. Such amortization of debt issuance costs was previously reported as amortization expense in the Statements of Operations for the year ended December 31, 2015.

The apartment project is pledged as collateral for the mortgage. The mortgage loan is nonrecourse debt secured by deeds of trust on the related real estate.

Housing Tax Credits

As incentive for investment equity, the Partnership applied for and received an allocation certificate for Housing Tax Credits established by the Tax Reform Act of 1986. To qualify for the Tax Credits, the Partnership must meet certain requirements, including attaining a qualified basis sufficient to support the credit allocation. In addition, tenant eligibility and rental charges are restricted in accordance with Internal Revenue Code Section 42. Management has certified that each Tax Credit unit has met these qualifications to allow the credits allocated to each unit be claimed.

Compliance with these regulations must be maintained in each of the fifteen consecutive years of the compliance period. Failure to maintain compliance with occupant eligibility, unit gross rent, or to correct noncompliance within a reasonable time period could result in recapture of previously claimed Tax Credits plus interest.

Regulatory Agreement Provisions

On February 5, 2001, the Company executed a 542 (c) Multifamily Insurance Program Regulatory Agreement with the New Mexico Mortgage Finance Authority in order to obtain the "risk-sharing" mortgage loan. The Company is required to abide by the Regulatory Agreement provisions including, but not limited to, (1) the maintenance of certain tenant income requirements, (2) limitations on surplus cash distributions, (3) Replacement Reserve requirements, and (4) compliance with Affirmative Fair Housing marketing plans.

Housing Assistance Agreement

The Partnership receives a significant portion of its rental income from the Department of Housing and Urban Development pursuant to a Section 8 Housing Assistance Payment Contract (HAP) for the 71 units in the project. Under the Section 8 Program a tenant is required to pay 30% of their adjusted income toward housing with the Federal Government subsidizing the difference between what the tenant pays and the fair market rent established by the Department of Housing and Urban Development.

NOTE H - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Partnership's sole asset is Robledo Ridge Apartments. The Partnership's operations are concentrated in the multifamily real estate market. In addition, the Partnership operates in a heavily regulated environment. The operations of the Partnership are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies. Such administrative directives, rules, and regulations are subject to change by federal and state agencies. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

The Project's major source of revenue is from subsidy received through Section 8 Housing Assistance Payment Contract (HAP). HUD may terminate the rental assistance agreement if it determines that no subsidy is necessary or if the Project is determined to be in violation of HUD rules or regulations.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Partners of
Robledo Ridge, LLLP
Las Cruces, New Mexico
and
Tim Keller, New Mexico State Auditor

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Robledo Ridge, LLLP which comprise the balance sheet as of December 31, 2016, and related statements of operations, changes in partners' equity (deficit), and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 26, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Robledo Ridge, LLLP's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Robledo Ridge, LLLP's internal control. Accordingly, we do not express an opinion on the effectiveness of Robledo Ridge, LLLP's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Robledo Ridge, LLLP's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR HUD PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE CONSOLIDATED AUDIT GUIDE FOR AUDITS OF HUD PROGRAMS

To the Partners of
Robledo Ridge, LLLP
Las Cruces, New Mexico
and
Tim Keller, New Mexico State Auditor

Report on Compliance for Each Major HUD Program

We have audited Robledo Ridge, LLLP's compliance with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the Guide) that could have direct and material effect on each of Robledo Ridge, LLLP's major U.S. Department of Housing and Urban Development (HUD) programs for the year ended December 31, 2016. Robledo Ridge, LLLP's major HUD program is a HUD insured mortgage.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its HUD program(s).

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Robledo Ridge, LLLP's major HUD programs based on our audit of the compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major HUD program occurred. An audit includes examining, on a test basis, evidence about Robledo Ridge, LLLP's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major HUD program. However, our audit does not provide a legal determination of Robledo Ridge, LLLP's compliance.

Opinion on Each Major HUD Program

In our opinion, Robledo Ridge, LLLP complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major HUD programs for the year ended December 31, 2016.

Report on Internal Control Over Compliance

Management of Robledo Ridge, LLLP is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered Robledo Ridge, LLLP's internal control over compliance with the requirements that could have a direct and material effect on each major HUD program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major HUD program and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Robledo Ridge, LLLP's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.
