INDEPENDENT AUDITOR'S REPORT

Board of Directors
Western New Mexico University Foundation
(A Component Unit of Western New Mexico University)
Silver City, New Mexico

We have audited the accompanying statements of financial position of Western New Mexico University Foundation, Inc. (Foundation), a not-for-profit organization and component unit of Western New Mexico University, as of June 30, 2012 and 2011, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated November 12, 2012, on our consideration of the Foundation's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Western New Mexico University Foundation, Inc. (A Component Unit of Western New Mexico University) has omitted the MD&A which is required to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements is required by GASB who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

The accompanying notes are an integral part of these financial statements.

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Western New Mexico University Foundation, Inc. (Foundation) is a not-for-profit corporation which was incorporated in the State of New Mexico on October 5, 1982. The Foundation receives support from contributions and earnings on investments.

The purpose of the Foundation is to create, maintain and administer assets for the benefit of Western New Mexico University (University), a state educational institution, located in Silver City, New Mexico. The Foundation exists specifically for the purpose of generating, receiving, managing, investing or reinvesting, and prudently disbursing gifts, bequests, grants and any other donations of financial value to be used for the sole purpose of promoting, enhancing, and contributing to the accomplishment of the University's mission. The Foundation is considered a component unit of the University in accordance with the standards issued under the Government Accounting Standards Board. These financial statements include all activities over which the Foundation has responsibility.

The Foundation is presented as a discrete component unit on Western New Mexico University's financial statements due to:

- 1. The economic resources received by the Foundation are entirely for the direct benefit of the University's constituents.
- 2. The University has an ongoing economic interest in the net assets of the Foundation.

Per the written agreement between the Foundation and the University, the management of the Foundation is autonomous from the management of the University. Employees of the University and members of the Board of Regents of the University are not allowed to be voting members of the Board of Directors of the Foundation.

Fair Value Measurement

The fair values of substantially all reported assets and liabilities which represent financial instruments (none of which are held for trading purposes) approximate the carrying value of such amounts.

Basis of Presentation

The financial statements of the Foundation have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of Presentation (continued)

The Foundation reports information regarding its financial position and activities according to the following three classes of net assets: (1) unrestricted net assets comprised of net assets not subject to donor-imposed stipulations and all resources over which the Board of Trustees has discretionary control to use in carrying out the operations of the Foundation in accordance with its articles of incorporation and bylaws; gifts of long-lived assets, received without donor restrictions, are classified as unrestricted net assets; (2) temporarily restricted net assets comprised of net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or passage of time; and (3) permanently restricted net assets comprised of net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

Contributions

Contributions are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence of any donor restrictions. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Capital Assets

Building, furniture, fixtures, equipment and leasehold improvements are recorded at cost or fair market value at date of donation or acquisition. The Foundation capitalizes expenditures in excess of \$1,000 and a useful life of more than one year. Depreciation is provided for using the straight-line method over the following estimated useful lives:

Building 40 years
Leasehold improvements 40 years
Furniture, fixtures and equipment 5 to 20 years

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Donated Services

For the years ended June 30, 2012 and 2011, the Foundation received \$95,733 and \$40,983, respectively in donated services from the University and has reflected this amount in the accompanying financial statements.

Note 1. NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated Services (continued)

Contributed services are recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Contributed services are recorded as in-kind revenue and in-kind expense, and are included with general and administrative expenses in the accompanying financial statements.

Income Taxes

Income taxes are not provided for in the financial statements as the Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state provisions. The Foundation is not classified as a private foundation and had no unrelated business income during the years ended June 30, 2012 and 2011.

Statement of Cash Flows

For purposes of the statement of cash flows, investments in managed funds, bonds and contributions designated for long-term purposes or received with donor restrictions limiting their use to long-term purposes are not considered cash or cash equivalents. There were no cash equivalents at June 30, 2012 and 2011.

Custodial Credit Risk

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of cash balances and investments in managed funds. Cash is on deposit with a high credit quality financial institution in Grant County, which is a member of the Federal Deposit Insurance Corporation (FDIC) with accounts insured up to \$250,000. During the year ended June 30, 2012, cash deposits did not exceed FDIC coverage for the operating account and for the money market account. Investments are held by investment managers, which are members of the Securities Investor Protection Corporation. The Foundation did not have any collateralized deposits at June 30, 2012. Performance is reviewed by the Investment Committee of the Board of Directors on a monthly basis.

Investment Allocation

In accordance with the Foundation's written "Policy on Donations and Recognition of Donors", as part of its normal transactions it allocates investment income between unrestricted, temporarily restricted and permanently restricted net asset categories. The Foundation endowment securities also had a market decline of \$(76,869) at year end to reflect market value. If and when the securities have a market appreciation, the amount available for expenditure must be authorized by the governing board. Effective July 1, 2010, in accordance with House Bill 454, revised guidelines for the Uniform Prudent Management of Institutional Funds Act were provided for the investment and expenditure of endowment funds which requires adherence by the Foundation. For endowment assets in prior years, 10% of the investment income was allocated to the corpus, 20% was allocated to the Foundation for coverage of operational expenses, and the remaining 70% was allocated to scholarships. However, the governing board authorized a spending limit of 2.5% of available portfolio funds for scholarship awards and 2% to cover administrative costs during fiscal year 2012. The Foundation's investment securities are carried at fair value.

Note 2. CASH RESTRICTED FOR OTHER ORGANIZATIONS

At June 30, 2012 and 2011, the Foundation holds cash for the following organizations as follows:

Note 3. INVESTMENTS

The Foundation's investments are made for long-term growth and income with preservation of principal and are registered in the name of the WNMU Foundation. Investments shall be made in bonds or money market funds with at least an A+ rating or mutual funds with at least an A rating as identified by Standard & Poor's, Moody's Investor Service, or the Wall Street Journal. Recognizing that the Foundation's investment objectives include growth and income, a diversified portfolio will appropriately meet the objectives of the Foundation with consequently moderate risk. Management and the Investment Committee along with the Organization's Investment Managers continually review the investments to monitor the risk.

Investments in managed funds, government securities, equities and bonds, with readily determinable fair market values, are recorded at their fair market values in the statements of financial position. The fair value of the investments was determined based on the publicly reported market prices of the respective securities and funds.

Unrealized gains and losses are included in net investment income in the accompanying statements of activities. Investment income and gains restricted by donors are reported as temporarily restricted or permanently restricted increases in net assets, as applicable. Losses on investments of a donor-restricted endowed fund are used to reduce the accumulated earnings of related temporarily restricted net assets to zero with any remaining loss allocated to unrestricted net assets.

Note 3. INVESTMENTS (continued)

Net investment income consists of interest, dividends, realized and unrealized gains and losses, net of investment fees in the amount of \$57,571 and \$58,433, respectively. The market value and cost of investments at June 30, 2012 and 2011 are as follows:

Certificates of Deposit Real Asset Funds Fixed Income/ Mutual Funds Equities Mutual Funds Equities Total investments	Market \$ 53,023 596,222 2,340,908 309,843 2,222,163 \$5,522,159	2012 Cost \$ 50,383 558,534 2,197,807 300,746 1,599,695 \$4,707,165

Total long-term investments	\$5,522,159	\$314,161	\$646,825	\$558,699	\$4,002,474

Note 4. EXPENSES

Expenses of the Foundation reported by natural classification for the fiscal years ended June 30, 2012 and 2011, were as follows:

Scholarship expense Salaries In-kind expense Depreciation Professional fees Building expenses Fundraising Supplies and services Miscellaneous expense Rosina Patterson disbursements Directors insurance Liability insurance President's discretionary Property taxes	2012 \$ 204,278 26,126 95,733 14,676 19,822 -0- 2,750 3,050 4,515 14,848 900 632 29,466	2011 \$ 222,140 80,169 40,983 18,128 11,832 -0- -0- 1,179 15,033 -0- 900 632 -0-
Property taxes	608 \$ 417 404	551
	<u> </u>	<u>\$ 391,547</u>

Note 5. CAPITAL ASSETS

Assets donated with explicit restrictions regarding their use and contributions of cash that must be utilized to acquire office furniture and equipment are reported as increases in restricted net assets. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expiration of donor restrictions when the donated or acquired assets are placed in service and reclassifies temporarily restricted net assets to unrestricted net assets at that time. There were no restricted fixed assets at year end.

The Foundation is housed in a building owned by the University. The Foundation does not pay rent for the use of the facility. In-kind contribution revenue and in-kind expense in the amount of \$7,200 has been recorded for facility usage.

The land, buildings and leasehold improvements are located in Hidalgo, New Mexico. The assets are being leased to a non-profit entity for \$100 per month and have been listed with a real estate broker for the prior three years. Assets held for sale are required to be segregated from assets held for use unless it is not likely that the assets will be disposed of within a year. Because the assets have been for sale for more than a year, they have been included in assets held for use and the assets continue to be depreciated.

Note 6. EMPLOYEE BENEFITS

Workers' Compensation Insurance. The University is insured for workers' compensation through the State of New Mexico General Services Department-Risk Management Division (RMD). The University provides funding for the Foundation's employees. RMD provides workers' compensation for all employees as required by state law. The University remits payments to RMD for this coverage based on premium statements received from RMD. The University does not charge the Foundation for this expense.

Retirement Plan. The Foundation's full-time employees participate in a public employee retirement system authorized under the Educational Retirement Board (ERB) (Chapter 22, Article 11, NMSA 1978); the University provides funding for the Foundation's employees. The Educational Retirement Board (ERB) is the administrator of the plan, which is a cost sharing multiple employer defined benefit retirement plan. The plan provides for retirement benefits, disability benefits, survivor benefits and cost of living adjustments to plan members (certified teachers and other employees of State public school districts, colleges and universities) and beneficiaries. ERB issues a separate, publicly available financial report that includes financial statements and required supplementary information for the plan. That report may be obtained by writing to: ERB, P.O. Box 26129, Santa Fe, NM 87502. The report is also available on ERB's website at www.nmerb.org.

Funding Policy. Effective July 1, 2011, plan members were required by statute to contribute 7.9% of their gross salary if they earned \$20,000 or less annually, and plan members earning more than \$20,000 annually were required to contribute 11.15% of their gross salary. Western New Mexico University Foundation, Inc. was required to contribute 12.4% of the gross covered salary for employees earning \$20,000 or less, and 9.15% of the gross covered salary of employees earning more than \$20,000 annually. The contribution requirements of plan members and the Foundation are established in State statute under Chapter 22, Article 11, NMSA 1978. The requirements may be amended by acts of the legislature. The contribution requirements for the years ending June 30, 2012, 2011 and 2010 were \$8,364, \$10,013 and \$8,566 respectively, which equal the amount of the required contribution for each fiscal year.

When employing retired PERA members, the Foundation must remit 12.4% of applicable wages to ERB when member's annual salary is less than \$20,000. The rate is 9.15% when salary is in excess of \$20,000. The Foundation has not employed any retired PERA members and, therefore made no contributions for fiscal year ending June 30, 2012.

Note 6. EMPLOYEE BENEFITS (continued)

Plan Description. The Foundation contributes to the New Mexico Retiree Health Care Fund, a cost-sharing, multiple-employer defined benefit postemployment healthcare plan administered by the New Mexico Retiree Health Care Authority (RHCA). The RHCA provides health care insurance and prescription drug benefits to retired employees of participating New Mexico government agencies, their spouses, dependents, and surviving spouses and dependents. The RHCA Board was established by the Retiree Health Care Act (Chapter 10, Article 7C, NMSA 1978). The Board is responsible for establishing and amending benefit provisions of the healthcare plan and is also authorized to designate optional and/or voluntary benefits like dental, vision, supplemental life insurance, and long-term care policies.

Eligible retirees are: 1) retirees who make contributions to the funds for at least five years prior to retirement and whose eligible employer during that period of time made contributions as a participant in the RHCA plan on the person's behalf unless that person retires before the employer's RHCA effective date, in which the event the time period required for employee and employer contributions shall become the period of time between the employer's effective date and the date of retirement; 2) retirees defined by the Act who retired prior to July 1, 1990; 3) former legislators who served at least two years; and 4) former governing authority members who served at least four years.

The RHCA issues a publicly available stand-alone financial report that includes financial statements and required supplementary information for the postemployment healthcare plan. The report and further information can be obtained by writing to the Retiree Health Care Authority at: 4308 Carlisle NE, Suite 104, Albuquerque, NM 87107.

Funding Policy. The Retiree Health Care Act (Section 10-7C-13 NMSA 1978) authorizes the RHCA Board to establish the monthly premium contributions that retirees are required to pay for healthcare benefits. Each participating retiree pays a monthly premium according to a service based subsidy rate schedule for the medical plus basic life plan plus an additional participation fee of five dollars if the eligible participant retired prior to the employer's RHCA effective date or is a former legislator or former governing authority member. Former legislators and governing authority members are required to pay 100% of the insurance premium to cover their claims and the administrative expenses of the plan. The monthly premium rate schedule can be obtained from the RHCA or viewed on their website at www.nmrhca.state.nm.us

Note 6. EMPLOYEE BENEFITS (continued)

The Retiree Health Care Act (Section 10-7C-13 NMSA 1978) is the statutory authority that establishes the required contributions of participating employers and their employees. During the fiscal year ended June 30, 2012, the statute requires each participating employer to contribute 1.834% of each participating employee's annual salary; each participating employee was required to contribute .917% of their salary. In the fiscal year ending June 30, 2013, the contribution rates for employees and employers will rise as follows:

Fiscal Year	Employer Contribution Rate	Employee Contribution Rate	
FY13	2.000%	1.000%	

Also, employers joining the program after January 1, 1998 are required to make a surplus-amount contribution to the RHCA based on one of two formulas at agreed-upon intervals.

The RHCA plan is financed on a pay-as-you-go basis. The employer, employee, and retiree contributions are required to be remitted to the RHCA on a monthly basis. The statutory requirements for the contributions can be changed by the New Mexico State Legislature.

For the fiscal years ended June 30, 2012, 2011 and 2010, the University remitted for the Foundation \$2,476, \$2,274 and \$1,526, respectively, in employee contributions to the Retiree Health Care Authority.

Note 7. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets at June 30, 2012 and 2011 are for the following programs:

Note 9. DEPOSIT ACCOUNTS AND INVESTMENTS (continued)

Collateralization of Deposits: At June 30, 2012, the recorded values of cash and time deposits with financial institutions were as follows. Bank balances (which differ from the reported values due to reconciling items) are categorized as follows:

Amounts insured by Federal Deposit Insurance Corporation Amounts insured by the Securities Investor Protection Corporation	\$347,668 536,358
Uncollateralized	0-
Total Cash and Time Deposit Bank Balances	884,026
Other reconciling items on demand deposit accounts	(4,297)
Total Reported Cash Balance	\$879,729

Custodial Credit Risk-Deposits. In the case of deposits, this is the risk that in the event of a bank failure, the deposit may not be returned to it. The Foundation does not have a deposit policy for custodial risk. As of June 30 2012, \$-0- of the Organization's bank balance of \$347,667 was uninsured and uncollateralized. There are no collateralized deposits required.

Note 10. ENDOWMENTS OF NOT-FOR-PROFIT ORGANIZATIONS

In August 2008, the FASB issued Staff Position (FSP) FAS ASC 958-205-45-28 through 45-32, "Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA), and Enhanced Disclosures for all Endowment Funds." The guidance is intended to improve the quality and consistency of financial reporting of endowments held by not-for-profit organizations. The FSP provides guidance on classifying the net assets associated with donor-restricted endowment funds held by organizations that are subject to an enacted version of UPMIFA. UPMIFA, which serves as a model act for states to modernize their laws governing donor restricted endowment funds, was enacted by the State of New Mexico on April 7, 2010 in House Bill 454. Therefore, the guidance for classifying net assets is effective for the Foundation's fiscal year ending June 30, 2012 and 2011. The adoption of this FSP's provision does not have a significant effect on its net asset classification.

INTERPRETATION OF RELEVANT LAW Note 11.

The Foundation's endowment consists of approximately 75 Individual funds established for a variety of purposes. Its endowment includes only donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Board has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets and maintained as such for appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA and donors' restrictions on use. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donorrestricted endowment funds:

- 1. The duration and preservation of the fund.
- 2. The purposes of the Foundation and the donor-restricted endowment fund.
- 3. General economic conditions.
- 4. The possible effect of inflation and deflation.
- 5. The expected total return from income and the appreciation of investments.
- 6. Other resources of the organization.
- 7. The investment policies of the organization.

Endowment Net Asset Composition by Type of Fund at June 30, 2012:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-Restricted Endowment Funds Board-Designated	\$ 118,910	\$ 19,628	\$6,094,959	\$6,233,497

Note 12. FAIR VALUE MEASUREMENT

Western New Mexico University Foundation, Inc.'s (Foundation) financial instruments consist primarily of cash and cash equivalents, investments, accounts receivable, accounts payable and due to other Organizations. The carrying amount of cash and cash equivalents, accounts receivable, and accounts payable approximate their fair value due to the short-term nature of such instruments. The Foundation uses the following hierarchical disclosure framework:

Level 1—Measurement based upon quoted prices for identical assets in an active market as of the reporting date.

Level 2—Measurement based upon marketplace inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3—Measurement based on the Foundation's assumptions about a hypothetical marketplace because observable market inputs are not available as of the reporting date. The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair values of its assets and liabilities. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs have the lowest priority.

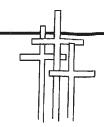

At June 30, 2012 and 2011, The Foundation's investments consist of cash equivalents, governmental and corporate bonds, common stocks and mutual funds. Shares of common stocks, mutual funds, corporate bonds and governmental bonds are valued at quoted market prices for identical assets. The valuations of the Foundation's investments according to the fair value hierarchy are all Level 1.

Note 13. RECLASSIFICATIONS

Certain reclassifications have been made to the 2011 Financial Statements to confirm to the classifications used in 2012.

Note 14. SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date these financial statements were available to be issued November 12, 2012.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Trustees
Western New Mexico University Foundation, Inc.
(A Component Unit of Western New Mexico University)
Silver City, New Mexico

We have audited the financial statements of the Western New Mexico University Foundation, Inc. (A Component Unit of Western New Mexico University) (Foundation), as of and for the years ended June 30, 2012 and 2011, and have issued our report thereon dated November 12, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Western New Mexico University Foundation, Inc.'s (A Component Unit of Western New Mexico University) is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Western New Mexico university Foundation's (A Component Unit of Western New Mexico University) internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Western New Mexico University Foundation, Inc.'s (A Component Unit of Western New Mexico University) internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

The Board of Trustees
Western New Mexico University Foundation, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Western New Mexico University Foundation, Inc.'s (A Component Unit of Western New Mexico University) financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the Western New Mexico University Foundation, Inc.'s management, the Board of Trustees, and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties.
